

# **St. Andrew's JHS HIGH PERFORMING ATHLETES' PROGRAM Information Night**

## **Is your child an elite athlete? Do they perform at the provincial or national level in their sport?**

St. Andrew's JHS offers a High Performing Athletes' program for grades 5-8. The HPA program is an academic program designed to accommodate athletes with heavy training schedules.

### **Program Features:**

- Supportive learning environment
- Full core curriculum including optional courses
- Flexible timetables
- A chance to work with other athletes from a variety of sports
- Online contact with teachers to allow for lessons during out of town training or competitions.

Please attend our information evening to learn more about the program.

**When:** Thursday December 13, 2012  
**Where:** St. Andrew's Junior High School  
131 Fenn Avenue, Toronto  
**Time:** 6:30 pm  
**Location:** Library

**Applications for 2013/2014 will be available at the information night.**
