O.S.A.C. PRESENTS

Healthy Snack Day!

Your child will be receiving a Healthy Snack on
Thursday, January 10, 2013

All students and staff will enjoy a snack courtesy of OSAC's Healthy Living Committee. We serve a snack once a month to promote healthy eating habits, possibly introduce new foods and to educate the students on nutritional topics.

Happy, healthy snacking!

Nutrition Tip: Nutritious snacks for kids should contain carbohydrates for energy and a little protein or healthy fat to slow digestion and keep kids' appetites in check.

If you are interested in helping with the Healthy Snack Program, please contact Jennifer Young at jennifer.ley.young@gmail.com
