DONATION Letter for current Grade 11 and 12 students in IB program

Parkdale CI is one of five schools in the TDSB that is approved to offer the International Baccalaureate (IB) Diploma.

The International Baccalaureate (IB) Diploma program is an optional educational pathway that offers additional opportunities beyond the requirements for earning the Ontario Secondary School Diploma (OSSD). There are costs associated with the International Baccalaureate program that are required by the International Baccalaureate Organization (IBO). These costs are related to annual fees, specialized resources, program coordination, teacher training, and participation in IB examinations.

Based on the number of TDSB students currently enrolled in the IB program, the cost per student is \$3300 over four years.

Students currently enrolled in Grades 11 and 12 are not required to pay fees for the International Baccalaureate program.

An International Baccalaureate Program Fund is being established to help support the costs associated with providing the IB program in the TDSB. Families of current Grade 11 and 12 students and IB Alumni are encouraged to contribute to the fund as they have benefited from the rich programming that has been offered at Parkdale CI. All donations and contributions will make a difference and donors will receive a charitable donation tax receipt.

Donations can be made through this [School Cash Online link](#).

Thank you for your consideration and support of the IB Diploma Program at Parkdale CI
