Current Grade 9 Students in Pre-Bac

As was previously communicated, the TDSB will now be collecting fees as we transition to a cost-recovery model for the costs associated with the International Baccalaureate program.

- Current Grade 9 students must pay their non-refundable Grade 10 fee (\$550) prior to **January 31, 2025**.
- Moving forward, each year, students will be expected to pay their non-refundable Grade fee for the upcoming year in January, prior to completing course selections.
 - Grade 11 and 12 fee - \$1100 each year
- Fees are non-refundable for students who leave the IB program before completion.
- Students not continuing in the program will return to their home school by address.

Please use the following [School Cash Online link](#) to pay your IB program fee. When asked "Who are you paying this for?" please keep the "Myself" option checked. You will need to provide your child's first and last name, their TDSB student number, your email address, and the school they attend. Once the fee is paid, you will receive an emailed receipt of payment.

Families wishing to make the \$550 payment in two \$275 installments (January 2025 and February 2025) can make this request to IB@tdsb.on.ca. A distinct payment link will be provided.

Subsidies are available for students whose household income is under \$50,000, supporting student access to programs. A subsidy for the 2025-26 school year can be requested through the same School Cash Online link. Your CRA 2023 Notice of Assessment supporting your request will be required at a future date. Further information will be provided to those requesting the subsidy.

Thank you.
