

Richview Collegiate Institute Course Selection 2017-2018

Course Selection Considerations

- O.S.S.D. Ministry graduation requirements:
minimum 30 credits; 18 compulsory credits
Check the credit counselling summary CCS
- French Immersion Certificate requirements:
10 credits; 11+ credits Honours
- Extended French Certificate requirements:
7 credits; 8+ credits Honours
- Business Certificate; Canadian and World Studies
Certificate; Spanish Certificate, Core French
- Post-secondary program requirements:
Grade 12 course pre-requisites for university or college will
determine type of courses needed in grade 11
- Pre-requisites to courses in grade 11 and grade 12
- Student's interest and aptitude in subject areas

Ontario Secondary School Diploma Requirements

- Successful completion of Literacy requirement
- **40** hours of community involvement
- **30** credits required for graduation:
(18 compulsory and 12 optional)
 - 4 English, one per grade level
 - 1 French as a second language
 - 3 Mathematics, at least one in Grade 11 or 12
 - 2 Science
 - 1 Canadian geography
 - 1 Canadian history
 - 1 Arts (dance, drama, media, music, visual arts)
 - 1 Health and physical education
 - 0.5 Civics
 - 0.5 Career studies

Plus one credit from each of the following groups:

Group 1: an additional English credit

or French as a second language*

or a third language

or a Social Sciences and Humanities credit

or a Canadian and World Studies credit

or a Guidance and Career Education credit

or a Cooperative Education credit *

Group 2: a Business Studies credit

or a credit in Health and Physical Education

or a credit in the Arts

or a credit in Cooperative Education *

or French as a second language *

Group 3: a Grade 11 or 12 Science credit

or a Technological Education credit

or a Computer Studies credit

or a Cooperative Education credit *

or French as a second language *

CHANGING FROM APPLIED TO ACADEMIC
and ACADEMIC TO APPLIED
(Except for Mathematics)

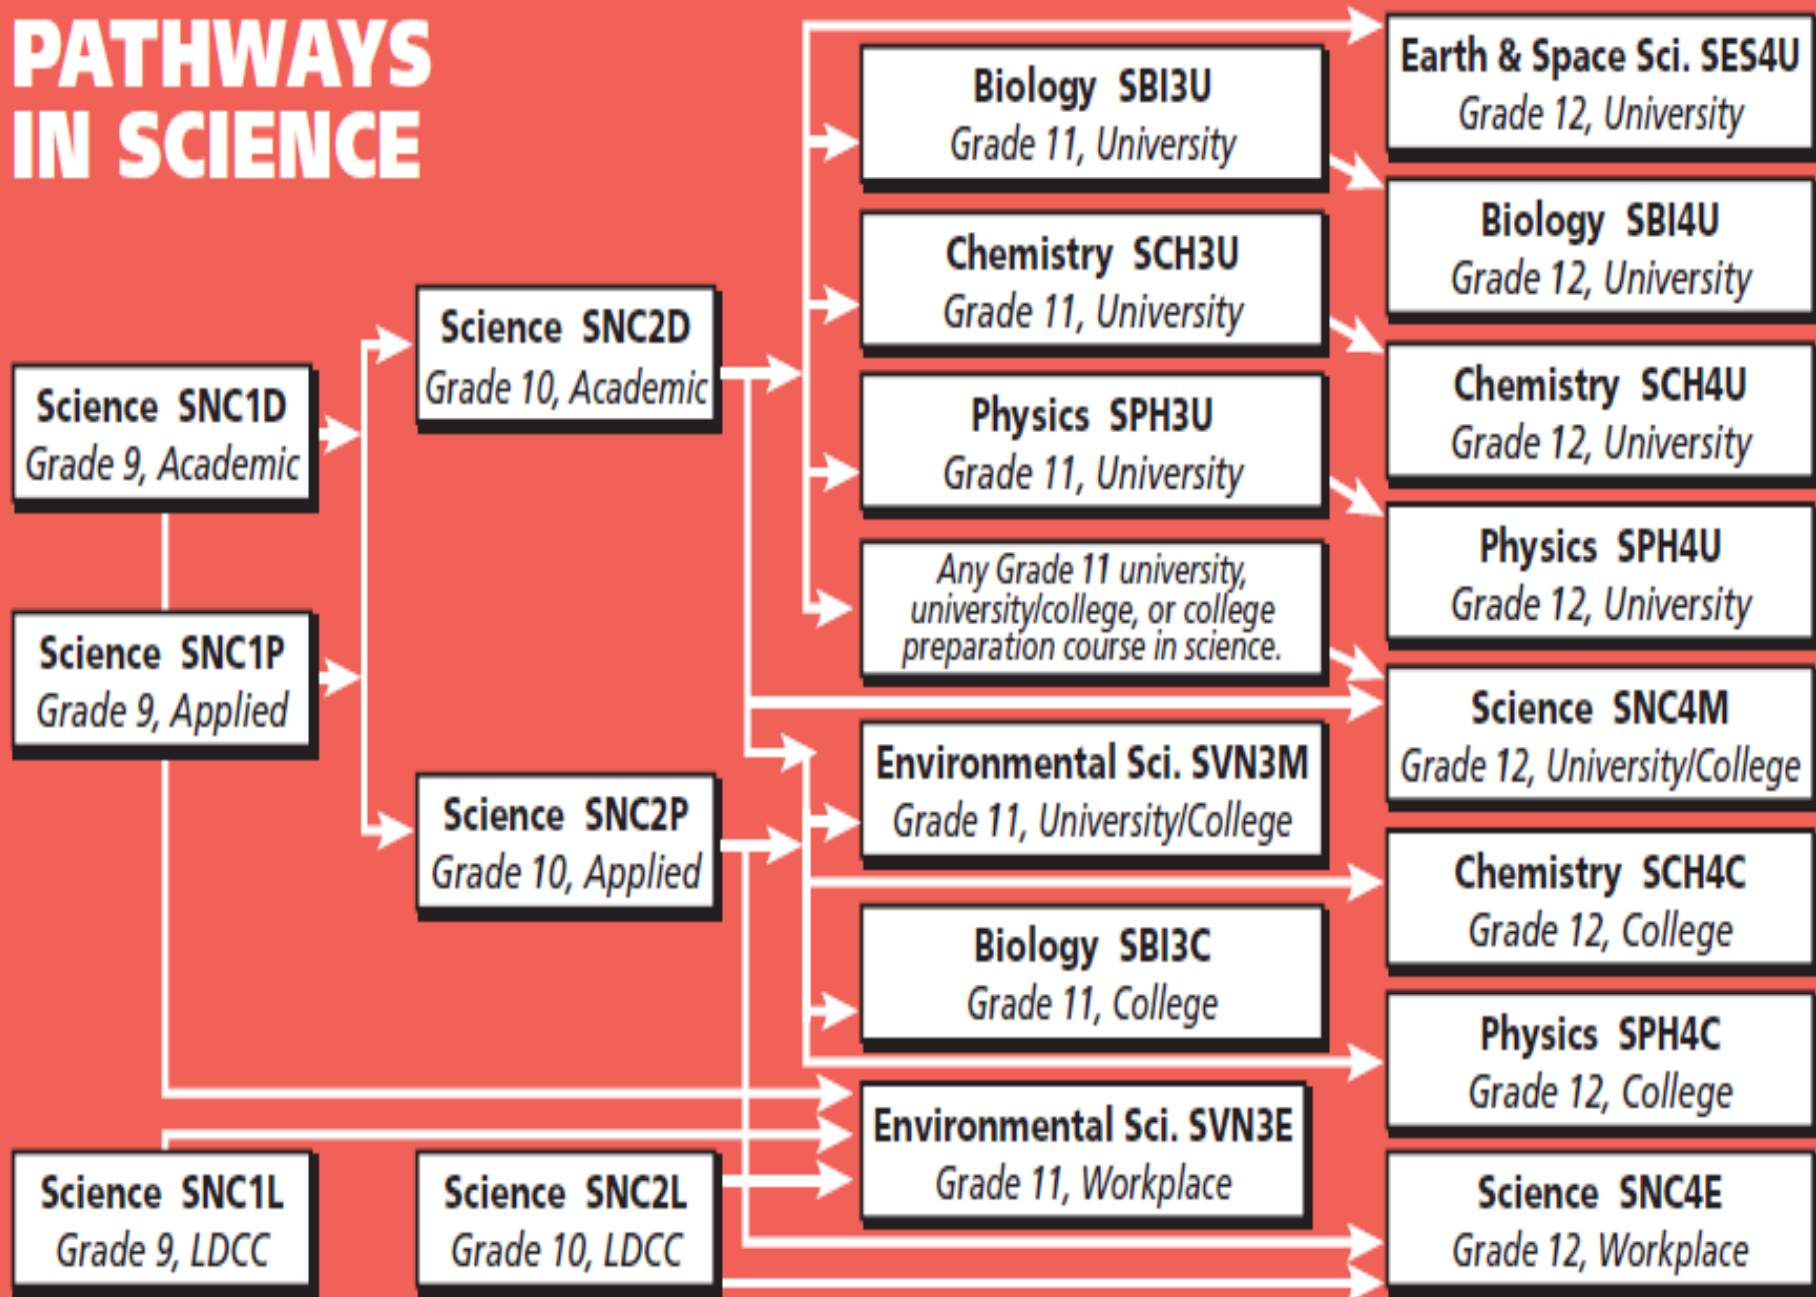

The diagram shows four boxes representing course levels: Grade 9 Academic, Grade 9 Applied, Grade 10 Academic, and Grade 10 Applied. Solid arrows indicate direct progression: Grade 9 Academic to Grade 10 Academic, Grade 9 Applied to Grade 10 Applied, and Grade 9 Applied to Grade 10 Academic. Dashed arrows indicate crossover material: Grade 9 Academic to Grade 10 Applied and Grade 9 Applied to Grade 10 Academic.

PATHWAYS IN MATHEMATICS

PATHWAYS IN SCIENCE

Course types Grades 11-12

College Preparation Courses	University Preparation Courses
<p>provide students with the knowledge and skills to meet entrance requirements for most college programs; they have been developed in consultation with community college staff. Teaching and learning will emphasize concrete applications of the theoretical material covered in the course and the development of critical thinking and problem-solving skills. The courses will focus on the development of independent research skills and independent learning skills</p>	<p>provide students with the knowledge and skills needed to meet entrance requirements for university study. Teaching and learning will emphasize theoretical aspects of the course content, with supporting applications. The courses will focus on the development of both independent research skills and independent learning skills.</p>
ENG3C1	ENG3U1

Course Types Grades 11-12

University/College Preparation Courses	Open Courses
<p>include content that is relevant for both university and college programs. They provide students with the knowledge and skills they need to meet the entrance requirements for specific university and college programs. The range of courses offered and the content of these courses will allow students to prepare for college and university programs and related careers. Teaching and learning will emphasize both theoretical aspects and related concrete applications of the course content.</p>	<p>allow students to broaden their skills and knowledge in a subject that interests them and which may or may not be related to their post-secondary path. Open courses have one set of expectations for the subject,</p> <p>appropriate for all students in a given grade. These courses are designed to provide students with a broad educational base that will prepare them for productive participation in society.</p>

Ryerson University

Offers of Admission

Basic Requirements for Admission

Ryerson University offers two types of programs:

- Grades selective programs determine your basis of admission solely on academic performance.
- Grades-plus programs use a combination of grades, portfolios, interviews and/or auditions to make admission decisions.

While a minimum high school average of 70% (in six 4U/M courses) establishes your eligibility to apply for admission, individual Ryerson programs may establish higher required admission averages.

Individual Ryerson programs may stipulate specific academic prerequisites for admission, including specific courses and minimum grades. Some programs also stipulate non-academic requirements for admission (e.g., portfolio, admission essay, interview, audition). Minimum grades, typically in the range of 65% to 75% or higher, are required in each of the program-specific subject requirements.

[Find more information about admission to Ryerson.](#)

Admission averages are calculated based on your top six 4U/M courses. Ryerson does not require subject prerequisite marks to be included in your admission average, though you must meet the subject prerequisite grade requirement that is specific to your program.

If you are a high school student, you are encouraged to achieve as much breadth of preparation as possible in the course of your studies leading to the Ontario Secondary School Diploma, and meet the stated subject prerequisite requirements for the program you intend to apply to.

Failed and Repeated Courses

We will calculate your overall average using the final marks from your best six 4U/M courses, which may include repeated/upgraded course marks.

Timing and Process for Admission Decisions

We anticipate that the majority of decisions will be made between February and May 2017 based on application processing timeframes and timelines for evaluating non-academic requirements.

If you submit a complete application (including amendments or additional choices) by the February 1, 2017 application deadline, you will be guaranteed equal consideration for the Ryerson program(s) you apply to. If you wish to be considered for more than one program, you are strongly encouraged to include all program choices on the OUAC application.

The presentation of admission averages on eINFO are estimates only, and are subject to change. [Find further information in Ryerson's Official Undergraduate Calendar\(s\).](#)

Admission Guidelines and Programs of Study (University of Toronto - St. George Campus)

SCHOLARSHIPS** 

PATHWAYS 

To be eligible for admission, you must possess the following:

**Selectio
eligibilit**

- Ontario Secondary School Diploma (OSSD) or equivalent including these required courses:
 - Grade 12 English (ENG4U or equivalent) minimum 65 per cent
 - Grade 12 Mathematics (MDM4U, MCB4U, MGA4U, MCV4U or MHF4U or equivalent) minimum 60 per cent (Students who do not possess Grade 12U Mathematics or who have achieved a grade below 60 per cent may be considered for admission. Students will be required to complete a math equivalency course during their first semester at Humber. Additional course fees will apply.)
 - Four Grade 12 U or M courses in addition to those listed above
 - Overall minimum grade point average (GPA) 65 per cent

or

- **Mature student status**

or

- **College or university transfer status**

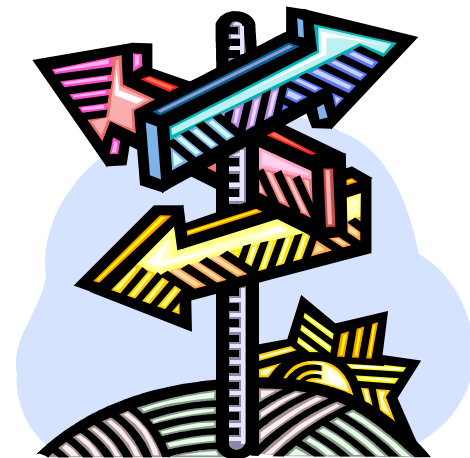

All applicants whose first language is not English must meet Humber's **English Language Proficiency Policy**.

Co-operative Education

- Cooperative Education is a unique program for students, integrating academic study with practical experience in business and industry.
- This learning experience helps students make informed decisions about future careers. Students also develop the work habits, attitudes and job skills necessary for a successful transition from secondary school to the workplace or post-secondary education.

Cooperative Education students are typically in the senior grades, have a variety of post-secondary destinations: college, university, apprenticeship, work, and may be studying in any subject area. Students can earn 2 Cooperative Education credits (half day) or 4 Cooperative Education credits (full day)

Please plan to visit the Co-op Fair February 9, 2017

Grade 12 Course Selections

The following courses are compulsory:

English program

- English ENG4U1 or ENG4C1
- 5 or more courses to satisfy Ministry of Education graduation requirements and to satisfy post-secondary program pre-requisites

Extended French

- English ENG4U1 or ENG4C1
- Extended French FEF4U4
- 5 or more courses to satisfy Ministry of Education graduation requirements and to satisfy post-secondary program pre-requisites

French Immersion Program

- English ENG4U1 or ENG4C1
 - French Immersion FIF4U5
 - 5 or more courses to satisfy Ministry of Education graduation requirements, French Immersion certificate requirements and to satisfy post-secondary program pre-requisites
- ❖ We strongly recommend that all students in grade12 start with **more** than the minimum number of courses to graduate

RICHVIEW CI
COURSE INFORMATION FAIR

February 16, 2016 (Day 4)

8:50 a.m. – 9:50 a.m.

(the day will follow an assembly schedule)

The purpose of the Course Information Fair is to provide an opportunity for students to gather information about the courses offered by Richview and to use this information to help decide which courses to take in 2016-2017.

There will be **five** 10 minute sessions that students can attend where there will be a teacher to give a brief outline of the course.

Present the *Richview Course Information Passport* at the end of the session for the teacher to stamp or sign. Submit passports with 5 stamps or signatures to the Guidance Department to be eligible for a draw to win a fabulous prize (1 winner per grade).

If you do not see the Course Selection box, check the Course Selection issue alert at the top left of your home page.

Red box indicates issue with course. If a prerequisite is missing, fill it in.

Your marks are indicated for all completed courses.

Completing Your Online Course Selection

- 4) Add Your Courses for Next Year**
- In the High School Planner grid, click **Add [Course]**.
 - Add compulsories first, and if required use the first four spaces for Semester I prerequisites for Semester II courses.
 - In the **Course Selection and Details** screen, explore the courses available to you.
 - Click **"Add Course to Plan"** when you find the course you want. It is automatically saved.

ATTENTION
CHOOSE WISELY!

- Think of your plan
- Think of your future

Course Code's fifth position indicates the course type.

Course Type	
C - College	M - College or University
D - Academic	O - Open
E - Workplace	P - Applied
L - Locally Developed	U - University
Compulsory	N - Non-Credit

The sixth position indicates program or credit differentiation, or the focus of the course. In this case: 1 = Regular

Program Differentiation for Non-Tech Courses

1 = Regular credit course	A = Part 1 (0.5)
2 = Beginner or Introductory course	B = Part 2 (0.5)
3 = Enriched course	E = e-Learning course
4 = Extended French course	Health and Physical Education
5 = French Immersion course	F = course for females
6 = Gifted course	M = course for males
7 = International Baccalaureate course	1 = co-ed courses
8 = Self-contained ESL course	
9 = Self-contained special education course	
0 = Advanced Placement	

French Immersion and other specialty programs have a unique sixth character indicated on individual school chart.

Program Differentiation for Tech Courses
Tech credits sixth character indicate credit value: **1, 2 or 3 credits e.g. TU3C2 = 2 credits.**

- 5) Look at Your Graduation Progress**
- The **Graduation Indicator** will help you keep track of your progress. Click **"View Progress"** for a list of specific Ontario Secondary School Diploma requirements.
- Review this feature to ensure you are selecting courses that will keep you on track to graduate!**

Ontario Secondary School Diploma: Official High School Plan (Official)

	Completed	Planned	Total
	18	14	30/30
Compulsory Credits: 18/18			
<input checked="" type="checkbox"/> 4 Credits in English (1 credit per grade)	4	0	4/4
<input checked="" type="checkbox"/> 1 Credit in French As a Second Language	1	0	1/1
<input checked="" type="checkbox"/> 3 Credits in Mathematics (at least 1 credit in grade 11 or 12)	3	0	3/3
<input checked="" type="checkbox"/> 2 Credits in Science	2	0	2/2
<input checked="" type="checkbox"/> 1 Credit in Arts	1	0	1/1
<input checked="" type="checkbox"/> 1 Credit in Health and Physical Education	1	0	1/1

<input checked="" type="checkbox"/> 0.5 Credit in Guidance and Career Development	0.5	0	0.5/0.5
<input checked="" type="checkbox"/> 1 Credit in History	1	0	1/1
<input checked="" type="checkbox"/> 1 Credit in Geography	1	0	1/1
<input checked="" type="checkbox"/> Option 1 - 1 Credit in English or French As a Second Language or Character Studies and International Languages or Social Sciences and Humanities or Canadian and World Studies or Guidance and Career Studies or Cooperative Education or Native Languages or Religion (at least 1 credit in grade 11)	0	1	1/1
<input checked="" type="checkbox"/> Option 2 - 1 Credit in Health and Physical Education or Arts or Guidance and Career Studies or French As a Second Language or Cooperative Education	1	0	1/1

- 6) What can You do after High School?**
- Before you submit your courses, it is important to understand the impact they will have on your future after secondary school. Plan ahead and build a full 30-credit plan to instantly discover the post-secondary opportunities available to you using the **Pathway Eligibility Indicator**.

Pathway Eligibility

All Provinces

Apprenticeships	157
College Programs	4664
University Programs	2098
Workplace Sectors	171

May not be successful in a course?

If the course you failed is a requirement for next year such as Math, Science, English, French **your timetable will be changed for next year**. Only with the completion of the summer school course will the Grade 11 course be added.

Remember some courses are not offered in summer school...

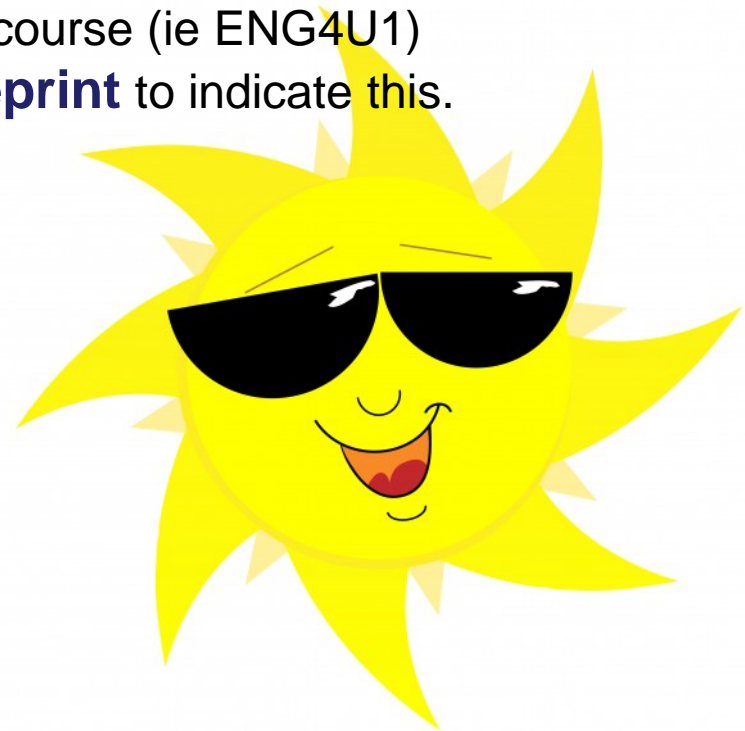

Summer school information becomes available in April, register **online** in early May...spaces are limited!

'Reserve' a seat! (mark must be between 35-49% to be eligible)

Planning on taking a course during the summer?

- If you are **110%** sure you are taking a course during the summer **do not** choose it as part of your plan on **myblueprint**.
- If you were planning on taking a compulsory course (ie ENG4U1) please use the comments section in **myblueprint** to indicate this.
- All Grade 12 students must select and maintain a minimum of 6 courses on their timetable in day school.

Registration for all TDSB summer school is done on-line.

Things I wish someone would have told me

- There are only so many hours in a day...in grade 11 and 12 you should focus/reduce the non-academic involvement to 2 or 3 (including sports teams) especially if you are taking on a Leadership role as an executive or leader as there is only **one** lunch meeting that you can attend !
- If you commit to an activity , people expect you to show up!

Chief Executive

EXTRA CURRICULARS

Arts

Take this process seriously...

- The courses that you select will drive the number of sections and staffing
- In the first week of September the only changes that will be made are for:
 - Student does not have the prerequisite for the course
 - Change in level of difficulty
 - Course required as prerequisite for Post Secondary program
- Many courses do end up with waitlists!

OUAC now charges \$50 if you change a program on your University application form.

Once you have printed off your Course Selection form and had it signed by a parent, it can be dropped off in Guidance. Please place your sheet in the folder indicated by your current grade.

Grade 9

Grade 10

Grade 11

**Deadline for
submission 4:00pm
February 24.**

Don't forget to drop off your milk bags for our Milk bag MATters group.

Tips for students on Course Selection

- ✓ Do some research...

For post-secondary pre-requisite courses use e!NFO
www.electronicinfo.ca

For career exploration and planning use myblueprint
(Activation key: richviewci) www.myblueprint.ca and
career cruising (username: toronto password: 41090)
www.careercruising.com

Be sure to attend the Course Fair on February 14th, 2017 and talk to the teacher about the course

- ✓ See a guidance counsellor if you have any questions or to review your options
