July 10, 2020

Dear Parents and/or Guardians of Richview Collegiate Institute,

On July 9, 2020 the Board of Trustees approved a series of Principal/Vice-Principal transfers and promotions.

Effective September 1, 2020 Meredith Tuck will be assuming the role as Vice-Principal at Kipling Collegiate Institute.

We would like to thank Ms. Meredith Tuck for her leadership, support and commitment to the students, staff and parents of the Richview community. We wish her continued success on her future endeavours.

In support of this transition, I am pleased to announce and welcome Ms. Vaneeta Dabas as Vice-Principal of Richview CI. Ms. Dabas is a caring administrator who engages students, staff and community voice while setting high expectations. She has strong administrative experience and demonstrates leadership in aligning schools goals with board targets to strengthen school improvement and student achievement through equity. She is strongly committed to parent engagement, community partnerships and student well-being.

We welcome Ms. Vaneeta Dabas to join Principal Lucie Kletke and Vice-Principal Stephanie Todorovich at Richview CI for the fall 2020.

Sincerely,
