September 18, 2020

Dear Parents/Guardians:

Please find attached an important message with regards to a confirmed case of COVID-19 involving a student at our school. We are working closely with Toronto Public Health (TPH) with regards to this case, which saw the student inside the school on Thursday.

As per our procedures, staff and students are required to wear masks while at school and practice physical distancing and as a precaution, an enhanced cleaning was conducted in the impacted areas. TPH will continue to provide advice and communication to the school community if the situation changes.

Sincerely,

Lucie Kletke  
Principal
