

# Cell Phone & Mobile Device Use in Elementary Schools

By reducing the distraction of cell phones and mobile devices, together we can create more focused and engaging learning environments for students!

We ask students to follow the direction below around cell phones and mobile devices at school and in classrooms:

## Elementary Students

### Kindergarten to Grade 8

During the full instructional day, except when permitted by the educator:

- Cell phones/mobile devices powered off or set to silent
- Cell phones/mobile devices stored out of view
