We have had a great first week back! The energy and enthusiasm from staff and students was contagious, promising an exciting 2018-19 school year at Rolph. I met with all Grade 1-6 students for our welcome-back assembly this morning that highlighted important information and expectations. Ask your child about the 3 Rs for Rolph- Respecting Self, Others, and our Environment. Also, the many leadership opportunities and the importance of all the adults in the building to help each and every child. Yes, we are going to have "The Best Year Yet" and we are all part of a team at Rolph- positive, supportive, caring and kind. Leadership has already opened up- announcement leaders, house league basketball on Monday first recess and the info attached includes some upcoming sports dates.

Thank you to all parents for your co-operation with the "Kid-Only Zone" on the south pavement area every morning- what a difference to our children's play, safety and entry!

If I have not had an opportunity to connect with you this week, I hope to see many of you next Thursday, September 13th at our WELCOME BACK PIZZA PARTY!! It starts at 6:00 p.m. and our first school- community event for the whole family.

FOR YOUR ATTENTION:

Student information packages went home this week and are **due back to the office by next Friday, September 14th**. Please make this a priority to complete. In addition to returning the package (and the email consent yellow form from Home and School), please return the white student information data card with any updates. Also, **please sign up for [SchoolCashOnline](#) for all school-related expenses (including \$7 for agendas for students in Grades 1 to 6).**

If your child is going to be away or late to school for any reason, please call the school's **Safe Arrival Line at 416-396-2437**(not the main school number) and leave a message with your child's name, class, and reason.

Entry for Grades 1 to 6 classes is at 8:40 a.m. If your child is late, they must sign in at the office. Similarly, if you are picking your child up during the school day, please visit the office and not the classroom. It would be most helpful to write a note the day of informing your child's teacher of such. If you need to drop off any item for your child, again, please visit the office, and we will ensure that your child receives the item.

All visitors (including volunteers), please sign in at the office and collect a visitor's badge. With over 300 Rolph families and so many new faces, it is impossible for us to differentiate between a visitor and a stranger, without the badge.

Please remember that many of our students have life-threatening allergies, so it is essential that you adhere to the food restrictions that may be set up by your child's teacher (based on the allergies of students in the classroom). As a school, we ask that no nut or nut products come to school at any time. **Please inform the office immediately, if you have not already done so, about any serious medical conditions that we should be aware of.**

Thank you in advance for your support in ensuring the safety of all Rolph students. We are looking forward to an amazing year, working as partners with parents and the Rolph Road community to provide the very best learning opportunities for our students.

Happy weekend,

Sandra Larosa

Principal

News from our coaches
