Thank you Rolphapalooza Volunteers, Sponsors, and Supporters

Congratulations to Rolphapalooza Lead Sarah Flint, and the entire team of organizers on a fantastic success yesterday. Thank you to everyone who supported the 2024 Fun Fair in various ways and thank you to everyone who attended. It was another amazing community event and students are still talking about how much fun they had! Our **Principal for a Day**, Logan T. made a quick announcement this morning letting everyone know he's ready for principal duties this September when the new school year gets underway.

Happy Father's Day to all Fathers & Father Figures in our Community

Information about Ticks from Toronto Public Health

Toronto Public Health has shared that tick populations are expanding in Canada. "[Blacklegged ticks have been found in Toronto](#), and are established here."

More information is available [HERE](#).

Please also review these tips about how to avoid tick bites:

- Wear long pants and long sleeves.
- Light coloured clothing may make ticks easier to spot.
- Apply insect repellent approved by Health Canada: [Personal Insect repellents – Canada.ca](#) (*following the manufacturer's instructions)
- Walk closer to the centre of trails avoiding brushy areas that may extend out on the trail edges.
- After spending time outdoors in wooded or bushy areas, shower to remove ticks before they become attached.
- Carefully check your full body and head for attached ticks.
- If you find a tick on your body, remove it as soon as possible.
- Remember to also check your children and pets for ticks.
