

# Full-Day Kindergarten: February, 2012

## Parents/Guardians of 2012-2013 Full-Day Kindergarten students:

Welcome to the 2012 Full-Day Kindergarten program. We look forward to working together to make your child's Kindergarten year successful. Our school will be offering a Full-Day Kindergarten (FDK) program, which includes a morning and afternoon schedule and a supervised lunch break. Students are also welcome to go home over the lunch break.

We are surveying parents at all schools with Full-Day Kindergarten to determine interest in an FDK *Before and After School Program*.

If offered at our school, the program will:

- be run before school hours and after school hours (no lunch program is provided);
- provide early learning activities, consistent with Full-Day Kindergarten;
- have an approximate cost of \$27-\$32 per day.

Parents and guardians will be informed in March whether or not our school has enough interest for a program. At that time, if there is interest, further details will be shared.

Child care subsidies are supported through the City of Toronto. To apply, visit the Toronto Children's Service website [www.toronto.ca/children](http://www.toronto.ca/children) or phone: 311
