

Welcome to Full-Day Kindergarten

in the Toronto District School Board

A Full-Day Kindergarten program for students means your child will attend Kindergarten for the entire school day which includes a morning and afternoon schedule and a lunch break, where students are welcome to go home. Supervision at lunch will be available for those that stay.

Full-Day Kindergarten provides support for our youngest learners. It helps prepare them for future success and provides a balance of direct instruction and play-based learning focused on reading, writing, communication and math skills as well as the development of social skills through group interaction, healthy physical activities and the arts.

Starting school is an exciting time of many firsts for all children. School staff works in partnership with families to support all children's individual learning needs as they transition to Full-Day Kindergarten.

A Kindergarten team works in partnership in the classroom to help young students learn and grow. This team approach brings out the best in children through play-based learning, guided by the Ministry of Education's Full-Day Early Learning Kindergarten Program.

For more information of **Full-Day Kindergarten** in the TDSB go to the TDSB website at: **www.tdsb.on.ca**
To review the **Full-Day Kindergarten Program** visit the Ministry website at: **www.edu.gov.on.ca/kindergarten**

An FDK Before and After School Program offers continued care and early learning, consistent with Full-Day Kindergarten. Parents/guardians pay a fee for the program. A program only runs in schools where there is sufficient interest. Schools will survey parent interest in a program during Kindergarten registration.

The FDK Before and After School Program would run before school hours and after school hours (no lunch program) and would include early learning activities consistent with Full-Day Kindergarten.

For information regarding fee subsidy for an **FDK Before and After School Program** or to apply, visit the Toronto Children's Service website at: **www.toronto.ca/children** or phone: **311**

For more information contact your local school.
