 Re: Music Education Programs and Arts

Find out now, if your son or daughter has musical interest and ability. A musical aptitude evaluation will be provided on an instrument in the comfort of your home or in one of our studios, **with no cost or obligation**. Knowledge of music is not required.

A limited number of **lender instruments** will be supplied to beginners who qualify and are most interested.

Giving your son or daughter the gift of learning to play a musical instrument provides the opportunity to develop self confidence, express their feelings, enhance their **reading, math, co-ordination, concentration, listening and studying skills**.

All levels of instruction available: Royal Examinations, recognized Grade Certificates and Conservatory of Music studies.

If you believe that music is an essential part of your son or daughter's education, then please complete the form below and mail today.

This reply will be forwarded to the location in your community. (North York, Toronto, York, Scarborough, Etobicoke, Mississauga, Brampton, Markham, Thornhill, Richmond Hill, Guelph, Halton Hills and others)

The Conservatory of Music sponsors this opportunity.
 Conservatory of Music (Ontario) is not affiliated with the school board
