### 2025-2026 ROUGE VALLEY P.S. SCHOOL COUNCIL

Rouge Valley P.S. School Council is proud to present: **AI IN EDUCATION**

This session is designed to help parents and caregivers discover how artificial intelligence is transforming the classroom and will include:

- ♦ A keynote on the future of AI in Education
- ♦ Panel discussion with educators and AI experts
- ♦ Learn about safety and AI
- ♦ Hands-on demo of AI learning tools

**Monday, April 20, 2026 from 6:00 p.m.- 7:30 p.m. in the gymnasium**

Please bring a device with you (e.g., your phone, Ipad, chromebook, laptop) so that you can be involved! Please note, this workshop is geared towards parents/caregivers, kids can come but there will be no specific programming for them. **SIGN UP [HERE](#)**

# CROSSWALK SAFETY

Children 10 and under need to be with an adult or older child to cross the street. Practice good role modeling by walking with your child and showing them road safety rules so that they can develop good habits. Remember children learn from seeing and doing! Here are some important tips to speak to your child about pedestrian safety:

1. Wear the right clothing. Bundle up in the winter and protect your skin in the summer with a hat and clothing. And always wear sunscreen and sunglasses all year round. Remember to wear bright, reflective clothing or accessories in cloudy or dark conditions so drivers can see you better.
2. Teach your child to use their eyes and ears. Always stop, look and listen, even if there is a crossing guard, or traffic signals to help them.
3. Stop and check that cars in every lane can see you and make eye contact with the drivers. Wait until drivers have stopped before crossing the road.
4. Look left, right and left again. When the way is clear, or all the cars at the crosswalk or intersection have come to a full stop, teach your child to cross the road, and not to turn back or run. Children should be told not to cross between parked cars, or in the middle of a street, but at a corner.
5. Listen to oncoming traffic and be alert. Make it a rule for your child to not use headphones or cellphones when walking, especially when they are crossing the road. Distractions, even talking while walking, can put children in danger of being hit by a car.
6. Walk, don't run, while crossing the street. By running, you risk tripping and falling in the middle of the road.

## IMPORTANT REMINDERS to keep all students and staff safe:

- ◆ Daily health screening to be completed for each student at home, before entry into the school
- ◆ **PLEASE, please do not send students to school who are sick or display any symptoms of COVID, flu, or cold. (e.g. headache, nausea, vomiting, diarrhea)**
- ◆ Rouge Valley will continue to be a MASK FRIENDLY environment
- ◆ **Please remind your child(ren) of the importance of good hand hygiene. Practice at home!**
- ◆ **STUDENTS need to be ON TIME to enter the school at the bell**

**THANK YOU FOR HELPING US TO KEEP EVERYONE SAFE!**

Parents, we need your help! We want to ensure the safety of all of our students. Parking IS PERMITTED along Durnford Rd. in front of the school. Another option is dropping off /picking up at the path on Durness or Carlisle Cres., or Tall Pines Community Centre lot. **PLEASE DO NOT use the staff parking lot** to drop off/pick up students.

The bus loop is a designated fire route. You MAY drop off your child(ren) along the bus loop but **PLEASE DO NOT park** in the bus loop– keep the traffic moving!

Whenever possible, and to decrease the congestion in front of our school, we encourage all of our students to **WALK TO SCHOOL**. It is a great way for children to receive daily exercise, reduces pollution and other environmental impacts, and most of all, promotes a healthy, active lifestyle!
