Fundraising

- Cookie sales on concert night - \$179
- Raffle baskets were a success – brought in \$975
- Popcorn sales for the first time in 2026 was held tonight... the kids loved it. We had about \$60 in sales!! We will be selling it every Monday for the rest of the school year
- Freezies will be for sale in June – need to determine the dates --- they will be announced soon.

New items

- Staffing for next year is predicted to be the same
- Student numbers are projected to be the same
- Right now, we have 22 kindergartens enrolled for 2026/27 – right now the numbers are higher than usual by this time of year – hopeful that we get a few more as than we will potentially have another ECE in the classroom. Same with the Lunchroom Supervisor!! If we do not get enough kids, there is a potential we may lose a lunchroom supervisor.
- Crossing guard application process has changed. Riaad was contacted about filling out a new application. Maybe after all these years asking for one... we will get it... Maybe!!

Thanks everyone for attending!
