Friendly Reminder - All Family Members to Check In at Office when Entering the School

This is a friendly reminder that when you are visiting the school, please enter through the main office doors and stop and check in at the office with Mrs. De Silva. When thinking about school safety, we want to make sure that we are always aware of who is in the building and when. We love when families visit the school and spend time with us. Sometimes, we have families that like to visit and say hello in the classrooms, we want to make sure that the teachers know that you will be coming as sometimes interruptions can affect the learning environment. We welcome you in the building and in classrooms, but we want to make sure that the visits are scheduled and planned. Thank you for your cooperation and understanding!

Drop Off & Pick Up at Roywood PS

Please be aware that the school parking lot is for busses and staff only. There is lots of space in the cul-de-sac for families to park when dropping off and picking up children from school.

Roywood PS is home to many students who ride the bus to and from school and we need the parking lot clear for the busses to enter and exit safely. We also have families that need to park in the accessible parking spaces, so please make sure to keep them clear.

Thank you for your understanding and cooperation!

Reporting Student Absences

Thank you for reporting student absences daily. We ask that you **please call the school before the start of the day (before 8:30am)** when you know that your child will be absent from school on any particular day.

This is very helpful for us and stops safe arrival system from calling you multiple times a day. Thank you so much - we appreciate your cooperation!

The Meaning of Home contest in support of Habitat for Humanity Canada is back! Helping build homes, communities and hope, one entry at a time.

Link to more information: <https://meaningofhome.ca/>

We are very excited to join classrooms from across Canada participating in the Meaning of Home contest. In its 19th year, the Meaning of Home contest invites grades 4, 5 and 6 students from across Canada to submit a poem or essay explaining what home means to them. Since 2007, over 120,000 students have participated in the Meaning of Home contest. Thanks to their inspiring words, and the support of title sponsor, BMO, founding sponsor Sagen™ *, award sponsors Metrie and Stantec Consulting Ltd., and judging sponsors BrokerLink and Travelers Canada, the Meaning of Home contest has raised over \$3 million to build homes across Canada for families in need of decent and affordable housing. Each grade winner will receive a \$30,000 grant for their local Habitat for Humanity. Nine contest runners-up (three per grade) will receive a \$10,000 grant for their local Habitat. Each entry also results in a \$10 donation to your local Habitat. We've decided to participate this year so students have the opportunity to make a difference in our community. In addition to winning great prizes, we will be learning the importance of safe, affordable housing while building homes for families.

The contest is open for submissions January 5 to February 20, 2026!
