Students and families will need to screen themselves each morning.

Parents should sign their child's [TDSB Student Health Pass](#) **daily** before arriving at school. **Their child will need to present this to their teacher each morning.**

TORONTO.CA/COVID19

 Toronto Public Health

This revised Toronto Public Health screening does indicate that if **anyone in their household has tested positive on a rapid antigen test or a PCR test**) then the student and all household members should stay home, and self isolate.

Together we can help our community, school, students and staff be safe and healthy! We can do this together!

MY CHILD MUST SELF-ISOLATE - FOR HOW LONG?

A new addition to the TDSB Student Health Screening Pass is the flow chart with different scenarios listed on it.

Please familiarize yourself with this flow chart so that you know what to do if your child is displaying COVID symptoms before coming to school OR if the school calls to let you know that your child has begun showing COVID symptoms while at school.

***Symptoms include 1 or more symptom from 1.A or 2 or more symptoms from 1.B on the screening tool

- If the student/child has one symptom from 1.B, other household members do not have to self-isolate.
- This tool is consistent with provincial guidance: [Coronavirus \(COVID-19\) self-assessment \(ontario.ca\)](#) and [COVID-19 Integrated Testing & Case, Contact and Outbreak Management Interim Guidance: Ontario Surge](#) ([gov.on.ca](#))

If the child/student travelled outside of Canada in the last 14 days:

- The child/student must follow federal [requirements](#) for quarantine and testing after returning from international travel.
- If the child/student is not fully vaccinated, they are not to attend school/child care for 14 days, even if they traveled with a vaccinated companion.

TDSB Student Health Pass

Roywood students will receive a copy of the TDSB Student Health Pass and Screening Questionnaire on the first day of school.

Please go through the student health pass with your child daily, sign it and send it with your child to school.

Your child will present this signed portion to their teacher each morning before entry to school.

TDSB Student Health Pass

The most important thing families can do to help slow the spread of COVID-19, is to screen their children daily for any COVID-19 symptoms and keep them home from school if they are sick or have had close contact with anyone diagnosed with COVID-19.

Review this COVID-19 checklist daily with your child. Sign* below each day to confirm that your child or anyone else in the household does not have any symptoms or have other exposure to COVID-19. We all have a role in keeping our schools safe and healthy.

Kindergarten Registration

Registration for all TDSB Kindergarten programs begins in February. We look forward to welcoming you and your child at our school in September.

To attend Junior Kindergarten in September, children must turn four-years-old by December 31 (**born in the year 2018**). To register for Senior Kindergarten, children must be five-years-old by December 31 (**born in the year 2017**).

P.A. Day - NO SCHOOL FOR STUDENTS!

There is no school for students on February 18th.

This is a day for Family/Educator Interviews.

Please connect with your child's teacher to schedule a time to hear about your child's progress this term.

Family Day

There will be no classes on Monday, February 21 to reflect the province-wide statutory holiday called Family Day. The holiday occurs on the third Monday in February of each year.

Students will also not be attending school on February 18 as this is a board-wide PA day. This means all TDSB students will not be at school on Friday, February 18 or Monday, February 21.

The Science of Reading

Reading is a very complex process. A skilled reader takes many skills and combines it to be able to read and comprehend what they have read.

The Reading Rope shares some of the thought processes that a person uses to read.

In the early years our focus should be on phonological awareness - an awareness of syllables and sounds.

This Week @ Roywood PS

Our KAHOOT! CHAMPION was a student from Ms. Peralta's class!!!

This past week we had a school wide Kahoot game on the topic of Chinese Heritage Month!

We had two amazing student MC's to lead us through the game! Thank you to Brianna and Alex for being such great student leaders!

The school purchased new chromebooks to support student learning and as a result all of the junior students have access to a device each day while at school.

Thank you to Mr. Richards and his students for organizing, labelling and distributing the devices to classes and also for sharing with the Grade 1's and 2's.

The school has also ordered more iPads for the Kindergarten classes.

The Library has Re-Opened with a Fresh Look and the Students are Loving It!!!

The students in Ms. Brown's class having fun with the lego wall. They expired with blocks and were estimating how long Ms. Brown was!

The Library has Re-Opened with a Fresh Look and the Students are Loving It!!!

The students in Mrs. Samuel's and Ms. Elmira's class also had a turn to explore different materials in the library. They rotated through different activities and materials to see what they could build.
