Appreciation

A big thank you to all the parent and family volunteers who went to the Royal Ontario Museum with the kindergarten students this past week. Mrs. Samuels, Mrs. Elmira and Ms. Liu are very thankful for your support and ability to give some time to the school.

The children and the adults had an amazing day checking out dinosaur bones, old artifacts and so much more!

Thank you so much!!!

It is sick season!

Please keep children home if they have any COVID-19 or RSV symptoms. Please use this questionnaire to help determine next steps for yourself or your child.

At Roywood, we are committed to keeping all students as healthy as possible and ask that you do not send your children to school when they are sick.

At school, if we notice any symptoms we will be calling home to discuss with a family member.

Thank you for your cooperation and support.

Stay Home if You Have Symptoms

Screen yourself/your child for COVID-19 and other respiratory viruses using this questionnaire. If you answer YES to any of the questions, stay home and follow guidance provided.

September 1, 2023

1. Do you have any of these new or worsening symptoms? ☐ Yes ☐ No

A) One or more:

Fever $\geq 38^{\circ}\text{C}$ and/or chills

Cough

Sore throat

Headache

Feeling very tired

Trouble breathing

Decrease or loss of taste/smell

Runny nose/nasal congestion

Muscle aches/joint pain

Nausea/vomiting/diarrhea

B) Two or more:

2. Have you tested positive for COVID-19 in the last 10 days and have symptom(s)? ☐ Yes ☐ No

If "YES" to Q.1 or 2 Stay home (self-isolate)

Follow extra measures

3. Do you have only one symptom from 1(B) OR any of the following new or worsening symptoms?*

• Abdominal pain • Pink eye • Decreased or no appetite ☐ Yes ☐ No

If "YES" Stay home until your symptom(s) is improving for 24 hours (48 hours for nausea/vomiting/diarrhea) and you do not have any new symptoms

Stay home (self-isolate) if you are sick:

Stay home until you have no fever and your symptoms are improving for at least 24 hours (or 48 hours if nausea/vomiting/diarrhea).

Anyone who is feeling sick or has any new or worsening symptoms of illness, including those not listed, stay home until symptoms are improving and seek assessment if needed.

Follow extra measures: For 10 days after the start of symptoms:

Wear a well-fitted mask in all public settings (including schools/child care, unless <2 years of age).

Avoid non-essential activities where you take off your mask (e.g., playing an instrument in music class or during sports or dining out).

Do not visit people or settings (e.g. hospitals, long-term care homes) at higher risk, including where there are seniors or those who are immunocompromised.

This tool is consistent with [provincial self-assessment tool](#).

*If the symptom is from a known health condition that gives you the symptom, select "No." If the symptom is new, different or getting worse, select "Yes." If there is mild tiredness, sore muscles or joints within 48 hours after a COVID-19 or flu vaccine, select "No."

School CashOnline - ACTION ITEM

Roywood PS is going CASHLESS. Please take some time to create an account in School CashOnline to be able to pay for field trips, lunches, spirit wear and any other school items while you are at Roywood PS.

All of the TDSB is moving towards becoming cashless schools so that children do not have to bring money to school (with the chance of it getting lost), schools do not have to hold a lot of money (with a chance of it getting lost) and to keep up with the ever changing times of the world.

Continued Learning for All

Students, Families & Staff

School Improvement Planning @ Roywood PS

Literacy Goal:

Through a structured literacy approach in Kindergarten to Grade 1 and a deeper application of the comprehensive literacy program in Grades 2-5, the students of Roywood will develop their confidence in decoding and comprehending texts at or above their expected grade level. We will focus on the most underserved students. Teachers will learn how to use phonological and phonemic screeners to develop instruction based on early reading needs. We will monitor three times a year using DRA and ongoing running records.

Math Goal:

By implementing evidence based numeracy strategies (high-impact instructional practices), we will improve student engagement, learning, and attitudes towards math. To accomplish this, we will support teachers to make instructional choices that help to eliminate disproportionate outcomes and to interrupt oppressive practices (e.g. provide explicit needs-based professional learning opportunities such as "Building Foundational Math Skills in the Early Years" and "Building Thinking Classrooms in Mathematics Through an Anti-Oppressive Lens", work with Math Learning Partner, etc.)

PARENT INVOLVEMENT IN SCHOOL HELPS CHILDREN REACH THEIR PERSONAL BEST

"Getting to know our students and their families is also an important aspect of the community connections that we integrate within our junior kindergarten to Grade 12 environments. It reinforces the idea that educators, parents and students all play an important role in student development," **Carol Steven**

TEACHER FEATURE

Hello, my name is Julie Patterson, and I am a kindergarten teacher at John McCrae Public School. From the very first day of school, we work to actively foster partnerships with parents. We welcome parents to volunteer in our classroom and offer them opportunities to share from their unique lived experiences. This collaborative approach helps to cultivate a vibrant atmosphere, a synergy between home and school, and a cohesive support system for our students. Additionally, our weekly Monday Memo serves as a valuable tool for keeping parents informed about the amazing learning activities in our classroom.
