# Appreciation

A huge thank you to Mrs. Kirby and the entire primary team for making the Vocal Showcase a reality. The students in kindergarten and Grade ½ really show cased all that they have been learning through the school year. We were so happy to see so many family members out to celebrate spring and the students success!

Thank you to the entire school community for supporting the All Gender Junior Volleyball team in their pursuit to the championships. They played three tough games and came out on top! They will be advancing to the Conference Finals in the coming days!

# Friendly Reminder - All Family Members to Check In at Office when Entering the School

This is a friendly reminder that when you are visiting the school, please enter through the main office doors and stop and check in at the office with Mrs. De Silva. When thinking about school safety, we want to make sure that we are always aware of who is in the building and when. We love when families visit the school and spend time with us. Sometimes, we have families that like to visit and say hello in the classrooms, we want to make sure that the teachers know that you will be coming as sometimes interruptions can affect the learning environment. We welcome you in the building and in classrooms, but we want to make sure that the visits are scheduled and planned. Thank you for your cooperation and understanding!
