School News

Earth Week Activities

Monday, April 17 Bring in your recycled crafts and posters to be displayed in the halls and front foyer. Classes will vote on creating one planter to be displayed in our front flower bed. Each class will fill their container with pansies.

Tuesday, April 18 Boomerang lunch. All garbage will be sent home. Be sure to send drinks in reusable water bottles and lunch and snacks in reusable containers.

Wednesday, April 19 Walk to School Wednesday. Each class will tally the number of students who walked, biked, bused or drove to school.

Thursday, April 20 Wear Earth Day Colours brown, blue, and green

Friday, April 21 **Power Down.** How much fun can we have in the afternoon without the electricity on?

**TAKE
CARE**

WITH PEANUTS

GoNoodle.

Earth Day Poster Contest

Use only recycled materials to make your poster

Pizza boxes, old magazines, bottle caps, ...

You may use markers, paint, crayons or pencils

Your poster should have a catchy title and a message about ways we can save the Earth

For example, Earth Day Every Day, Reduce, Reuse, Recycle

Due Date: April 17

**Winner will receive an
Earth Day surprise gift**

Earth Day Recycled Craft Contest

Repurpose recycled materials from home to make them into something new like a shoebox into a crocodile, a bottle into a planter, or milk cartons into birdhouses. The possibilities are endless. **Be creative and have fun!** Your craft should not be much bigger than a shoebox so it can be displayed in the front foyer of the school. Due Date: April 17th

**Winner will receive an
Earth Day prize!**

Earth Day Class Challenge

Each student should bring in a recycled container that can be used as a planter for purple and yellow pansies to displayed in the front flower bed of our school. As a class we will vote on one container. Please send in containers between now and April 14th. Thank you for your support.

Elementary Summer School

The focus of the 2023 Elementary Literacy and Numeracy Summer School Program is to continue student engagement through the month of July. Programs, embedded in Literacy and Numeracy, are developed by the local summer school Principal to reflect the local school focus.

Programs are offered in-person to students in K to Grade 8, from July 4 to July 28, 2023, in various locations around the city. This year, one remote program will also be available.

Registration Information

Program Dates: July 4 to July 28, 2023 **Registration is online**

Most classes run for three (3) hours from 9:00 a.m. to 12:00 p.m., except for four (4) full day sites that run 9:00 a.m. to 3:00 p.m. which include: Oakridge PS, Greenholme JMS, Rose Avenue JPS, and Yorkwoods PS.

Registration is now open! Programs do fill up quickly, so register soon!

For more information, including a list of schools and online registration forms, visit our summer school program page: <https://www.tdsb.on.ca/about-us/innovation/elementary-summer-school>

Reporting Student Absences

Thank you for reporting student absences daily. We ask that you **please call the school before the start of the day (before 8:30am)** when you know that your child will be absent from school on any particular day.

This is very helpful for us and stops safe arrival system from calling you multiple times a day. Thank you so much - we appreciate your cooperation!

Roywood Safe Arrival # 416-395-2830

LATE Students - Bell Rings at 8:40 am

The Roywood morning bell rings at 8:40 am. **Students are marked LATE from school at 8:50 am.** In the morning time, most classrooms are working on literacy skills (reading and writing) so students who come in after the morning bell are missing out on this important instruction. Please try to get children to school for 8:40 am each morning.

If you are having difficulty getting your child to school on time, please let the classroom teacher or Mrs. Pegg know and we will see if there is a plan that we can put in place to can help support your family.

School CashOnline - ACTION ITEM

Roywood PS will be going CASHLESS next school year. Please take some time to create an account in School CashOnline to be able to pay for field trips, special lunches, spirit wear and any other school items while your child is at Roywood PS.

All of the TDSB is moving towards becoming cashless schools so that children do not have to bring money to school (with the chance of it getting lost), schools do not have to hold a lot of money (with a chance of it getting lost) and to keep up with the ever changing times of the world.

Please use the following link to create your account today! **Roywood has 65% of our school signed up...which means that 105 of our 165 students have been registered! Let's make it 100%!!**

This Week @ Roywood PS

The students from Mrs. Peralta's class participated in a yard clean up on Friday morning. They decided that they wanted to work together to help Mr. D keep our school yard clean!

Thank you Grade 2/3 students!

Continued Learning for All

Students, Families & Staff

School Improvement Planning @ Roywood PS

The primary staff at Roywood PS have been working and learning together with the school Speech & Language Pathologist on the topic of the Science of Reading and early literacy skills.

Staff have been:

- Working on letter and sound recognition with students
- Working on hearing sounds and recording sounds with students
- Breaking words into syllables to help with reading and writing skills

The junior staff at Roywood PS have been working and learning together with the school Social Worker on the topic of Building Positive Relationships.

Staff have been:

- Planning and engaging in a 7 week program to give students skills to problem solve and vocabulary to speak in a more positive way with each other
- Working with Toronto Public Health to develop a Girls Peer Leadership group to be run at lunch time for 8 weekly sessions

School Improvement Planning @ Roywood PS

We are focusing on including more student voice into classroom programming and throughout the school. Some of the ways that we are doing this is through:

- Offering student choice in presentation formats
- Virtual announcements each day with students included
- Sharing resources and books that are representative of the Roywood school community
- Listening to using student opinion on intramural ideas, graduation ideas, classroom setup, etc.
- And more...

We are also focusing on classroom environment to help us use the walls in our classrooms as a third teacher. Some of the ways that we are doing this is through:

- Learning goals and success criteria posted on walls for students to know and understand
- Creating print rich environments for students to learn from
- Including many faces and images of people from many different cultural backgrounds
- And more...
