Appreciation

Thank you to Mr. Ticmanis, Mr. Richards, Mr. D and Mr. Rickardo for their support, organizing, supervising and playing with the primary students for soccer intramurals! The students are having a great time and so are the adults!!!

Upcoming Events

- May 8th - Mother's Day
- May 23rd - Victoria Day Holiday (No School)
- May 27th - Grade 1 & 2's Trip to the Toronto Zoo
- Jun. 7th - P.A. Day (No school for students)
- Jun. 30th - Last Day of School for Students

Happy Mother's Day to
all of the mothers and
mothering figures in
our community! We
see you, we appreciate
you, we love you!

School News

Summer School

Registration for Elementary Summer School is now open!

Programs are offered in-person to students from Kindergarten to Grade 8, from July 4th-29th, 2022. One online program will also be available.

For more information and to register, please visit <https://bit.ly/3Kax2YI>

Looking for Volunteers!!!

We can now have visitors back in the building!!! :) Yey!

We are looking for volunteers to help us with a variety of ideas that we have, such as:

- Special lunches (pizza, pita)
- Classrooms
- Decorating heritage month display case
- Class trip supervisors
- And more...

If you are interested in volunteering at Roywood PS, please send an email to Mrs. Pegg - amanda.pegg@tdsb.on.ca

Parking Lot

Please be advised that we have had many complaints about our parking lot and the traffic in it before and after school. The school parking lot is for Roywood Staff ONLY. Families should be finding a parking spot in the round-about or on local streets when dropping off students and picking up students. Students who belong to our intensive support program classes and whose families need handicapped spaces, will be permitted into the school lot.

We have many children and families walking through the parking lot during drop off and pick up times and we want to make sure that everyone is kept as safe as possible.

Thank you for your support!

EQAO for Grade 3!

EQAO assessments are scheduled to be written this school year. A larger window in May and June has been provided by EQAO. The dates for Roywood will be shared with students and families once they have been identified for the Grade 3 students.

Roywood is a Mask Friendly Environment!!

All schools in the TDSB will be mask friendly environments. At Roywood we are using inclusive language to make sure that everyone feels welcome wearing a mask or not wearing a mask.

Masks will still be available for students and staff to wear should they need.

Rapid Antigen Tests

RAT test kits are available at the school for students and families. **Should you need a test kit, please contact the school office.**

Self-testing when a person is showing symptoms is a great way to detect COVID-19 and working towards keeping everyone safe!

Continued Learning for All

Students, Families & Staff

School Improvement Planning @ Roywood PS

We are focusing on including more student voice into classroom programming and throughout the school. Some of the ways that we are doing this is through:

- Offering student choice in presentation formats
- Virtual announcements each day with students included
- Sharing resources and books that are representative of the Roywood school community
- Listening to using student opinion on intramural ideas, graduation ideas, classroom setup, etc.
- And more...

We are also focusing on classroom environment to help us use the walls in our classrooms as a third teacher. Some of the ways that we are doing this is through:

- Learning goals and success criteria posted on walls for students to know and understand
- Creating print rich environments for students to learn from
- Including many faces and images of people from many different cultural backgrounds
- And more...

This Week @ Roywood PS

The primary students enjoyed their first week of intramurals and played soccer!!

Spring is here!

Now, it is the time to sow seeds in the ground either in fields as the farmers do or in gardens or in pots. Offer your little ones the chance to also plant their own seeds so they could observe first hand how these tiny seeds develop into beautiful plants just by providing light, water, and tender care.

Visit our EarlyON program to explore more about the wonders of spring.
