Toronto District School Board @tdsb · May 16

Friendly reminder! Monday, May 19 is Victoria Day. Hope you have a restful long weekend, and we look forward to seeing you on Tuesday!

Don't forget - Monday is the
Victoria Day holiday!

No school on Monday!!

See everyone on Tuesday, May
20th @ 8:40 a.m.

Drop Off & Pick Up at Roywood PS

Please be aware that the school parking lot is for busses and staff only. There is lots of space in the cul-de-sac for families to park when dropping off and picking up children from school.

Roywood PS is home to many students who ride the bus to and from school and we need the parking lot clear for the busses to enter and exit safely. We also have families that need to park in the accessible parking spaces, so please make sure to keep them clear.

Thank you for your understanding and cooperation!

We will now be monitoring the entrance way of the driveway and parent volunteers will be helping out.
Thank you for understanding.

Appreciation

Thank you to the school council members for working so hard to create many different locations for the Roywood Cultural and Diversity gardens around the school grounds. As you come around the school, take a look at the front garden and read the signs, take a look at the front playground areas, take a look at the back field area around the Grade ½ doors and finally take a look at the far west side of the school by the rock circle - you will find many different items. Stop and take a smell, have conversation with you child(ren) about what you see, smell and can touch!

This is a wonderful opportunity for sharing and learning together!

Continued Learning for All

Students, Families & Staff

School Improvement Planning @ Roywood PS

Literacy Goal:

Through a structured literacy approach in Kindergarten to Grade 1 and a deeper application of the comprehensive literacy program in Grades 2-5, the students of Roywood will develop their confidence in decoding and comprehending texts at or above their expected grade level. We will focus on the most underserved students. Teachers will learn how to use phonological and phonemic screeners to develop instruction based on early reading needs. We will monitor three times a year using DRA and ongoing running records.

Math Goal:

By implementing evidence based numeracy strategies (high-impact instructional practices), we will improve student engagement, learning, and attitudes towards math. To accomplish this, we will support teachers to make instructional choices that help to eliminate disproportionate outcomes and to interrupt oppressive practices (e.g. provide explicit needs-based professional learning opportunities such as "Building Foundational Math Skills in the Early Years" and "Building Thinking Classrooms in Mathematics Through an Anti-Oppressive Lens", work with Math Learning Partner, etc.)

FAMILY SERVICE TORONTO
For People. For Change.

April 2025

Dear Parent/Guardian/Caregiver:

Welcome to an exciting opportunity to participate in a summer program for students going into Grades 4 - 10 in September (currently students in Grades 3 - 9) with an Autism Exceptionality (ASD). The program is called ***Doing What I Love: At Home, At School and In the Community!*** The ASD Skills Development Program offers an opportunity for students to develop, build and enhance their social and communication skills. A key component of the program is to learn leisure/recreation activities based on students' interests. Activities will be led by qualified teachers who will reinforce Applied Behaviour Analysis (ABA) Instructional Methods and self-regulations strategies throughout the sessions.

Parents are required to participate in the program with their children and must be present when school-aged siblings are also in attendance. The goal is for parents to use the strategies taught during the program at home with their children. Students are asked to bring a snack and water on each day of the program. Parents are responsible for bringing their children to and from the program, as **transportation is not provided**.

Students enrolled in our program will have the opportunity to work with their teachers to develop and enhance their social skills and develop cooperation skills by playing and interacting with other participants as they engage in a variety of intentionally chosen leisure activities. During the sessions, time will also be spent preparing students for their return to school in September. Teachers will provide strategies to students and parents on how best to prepare for a smooth transition to a new class, grade or school.

The program will run from **July 2 - 25 from 9:00 a.m. to 12:00 p.m.** at the locations listed below. Participants are invited to sign up for only **one location**.

- **Charles H. Best JMS**, 285 Wilmington Ave, North York
- **Cosburn MS**, 520 Cosburn Ave, East York
- **Don Mills MS**, 17 The Donway E, North York

-
- **Forest Manor PS**, 25 Forest Manor Rd, North York
 - **Henry Hudson SPS**, 350 Orton Park Rd, Scarborough
 - **Henry Kelsey SPS**, 1200 Huntingwood Dr, Scarborough
 - **Highfield JS**, 85 Mount Olive Dr., Etobicoke
 - **Twentieth Street Junior School**, 3190 Lake Shore Blvd W, Etobicoke

Interested parents are asked to fill out [this form](#) (click to access) by **Friday, May 30, 2025**. Spaces in the program are limited, and enrollment is on a first-come first-serve basis.

We look forward to your participation.

Sincerely,

The ASD Summer Skills Development Program Committee
