# Stay ALERT & Lock Your Cars!

The school has been informed that a parent had their wallet stolen from their car during school drop off/pick up. We wanted to remind everyone to make sure that you are locking your cars during this time and being diligent about safety. We hope that this wasn't done by a member of our Roywood community. The round-about does host more than just Roywood family members at the drop off and pick up times. We want to make sure that everyone is as safe as possible!

# Moving & Extended Absences

If your family is moving to a new address over the summer, please let us know in the office ASAP. We are beginning the planning process for next year and want to make sure that we organize for the students who will be returning to Roywood for the 2023/2024 school year and that we are able to help families get settled at new schools! :)

If you plan on taking your child(ren) out of school for an extended period of time, please call Mrs. De Silva in the office to complete an Extended Absence form so that we can record daily attendance accurately.

Thank you for your understanding and cooperation!

SAFE

ARRIVAL

# Reporting Student Absences

Thank you for reporting student absences daily. We ask that you **please call the school before the start of the day (before 8:30am)** when you know that your child will be absent from school on any particular day.

This is very helpful for us and stops safe arrival system from calling you multiple times a day. Thank you so much - we appreciate your cooperation!

This Week @ Roywood PS

Kindergarten art is just amazing to look at. These are masterpieces. This time students created extra large drawings on 18" x 24" paper which they were delighted to share. Awesome job! [#kindergartenart](#)

# School Improvement Planning @ Roywood PS

We are focusing on including more student voice into classroom programming and throughout the school. Some of the ways that we are doing this is through:

- Offering student choice in presentation formats
- Virtual announcements each day with students included
- Sharing resources and books that are representative of the Roywood school community
- Listening to using student opinion on intramural ideas, graduation ideas, classroom setup, etc.
- And more...

We are also focusing on classroom environment to help us use the walls in our classrooms as a third teacher. Some of the ways that we are doing this is through:

- Learning goals and success criteria posted on walls for students to know and understand
- Creating print rich environments for students to learn from
- Including many faces and images of people from many different cultural backgrounds
- And more...

### Summer Programs and Activities for Child/Youth

As we look toward the end of the school year, there may be excitement as well as thoughts and feelings that bring forward a need for support. Our **Summer 2023 Well-Being Guide** is a place to learn about Culturally Responsive and Identity Affirming resources and activities to make the most of this time of year, while supporting and improving our mental well-being. Some ways to do this include:

- Consider creating a loose **routine** for meals, exercise, and sleep that allows for flexibility and fun.
- If possible, **spend time outside** in nature and take advantage of summer weather.
- Encourage **physical activity** by finding fun ways to move your body and get active.
- Make an effort to **spend quality time with friends and family** and strengthen relationships. Consider balancing screen time with social activities that promote connections with others.
