Friendly Reminder - All Family Members to Check In at Office when Entering the School

This is a friendly reminder that when you are visiting the school, please enter through the main office doors and stop and check in at the office with Mrs. De Silva. When thinking about school safety, we want to make sure that we are always aware of who is in the building and when. We love when families visit the school and spend time with us. Sometimes, we have families that like to visit and say hello in the classrooms, we want to make sure that the teachers know that you will be coming as interruptions can affect the learning environment. We welcome you in the building and in classrooms, but we want to make sure that the visits are scheduled and planned. Thank you for your cooperation and understanding!

Ice Dawg

Ice Dawg Sales are THURSDAY!

If your child does not receive their cookie, do not fret, they will receive it the following week. We do prioritize online orders before cash orders. Sometimes students are forgetting to come to the cookie store, but if anyone is missed one week - they will for sure receive their cookies the next week.

This week's cookies are:

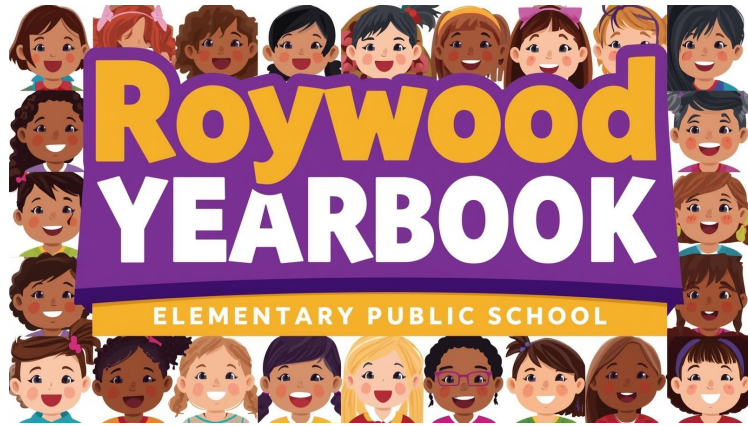

1. Ice Dawg - Ice Cream Sandwich

Individual cookies will be sold for \$2.00 each!

All proceeds from cookie sales will go towards purchasing classroom supplies for homeroom classes within the school.

TDSB Resources for Mental Health and Well-Being

As we look toward the end of the school year, there may be excitement, as well as thoughts and feelings that bring forward a need for support. Our **Summer 2026 Well-Being Guide** is a place to learn about Culturally Responsive and Identity Affirming resources and activities to make the most of this time of year, while supporting and improving our mental well-being. Some ways to do this include:

- Consider creating a loose **routine** for meals, exercise, and sleep that allows for flexibility and fun.
- If possible, **spend time outside** in nature and take advantage of summer weather.
- Encourage **physical activity** by finding fun ways to move your body and get active.
- Make an effort to **spend quality time with friends and family** and strengthen relationships. Consider balancing screen time with social activities that promote connections with others.
- Try **mindfulness** practices like meditation, deep breathing, or yoga to promote relaxation and calm.
- If possible, **prioritize self-care activities** that promote relaxation and well-being, such as reading, taking a bath, or practicing a hobby.
- Remember that **seeking help** from a mental health professional or family doctor is always an option if you or a loved one is struggling.
