# Drop Off & Pick Up at Roywood PS

**Please be aware that the school parking lot is for busses and staff only.** There is lots of space in the cul-de-sac for families to park when dropping off and picking up children from school.

Roywood PS is home to many students who ride the bus to and from school and we need the parking lot clear for the busses to enter and exit safely. We also have families that need to park in the accessible parking spaces, so please make sure to keep them clear.

Thank you for your understanding and cooperation!

We will be monitoring the entrance way of the driveway and parent volunteers will be helping out.  
Thank you for understanding.

# Heat Advisory Toronto - June 23rd & June 24th

On Monday and Tuesday there is a Heat Advisory for Toronto. The temperatures are expected to be 34°C and feel like 44°C. At Roywood we will do our best to keep the students as comfortable as possible. Some of the actions that we will take are:

- Using fans to provide air movement, where possible.
- Rotating staff and students into air conditioned areas (library & gym) throughout the day.
- Encouraging students and staff to stay hydrated.
- Keeping lights and computers turned off, where possible.
- Keeping doors and windows open.
- Reducing strenuous activities, including gym and sports activities.

# School Wide Soccer Tournament - June 25th

Mr. Goldenberg has planned a school wide soccer tournament for Wednesday, June 25th for all classes. Games will be held throughout the day and the finals will be held on Thursday (if time runs out on Wednesday). Feel free to pop out to the backyard to watch and cheer on students on Wednesday! Please make sure children come to school with water bottles, hats, sunscreen and sneakers as they will be spending a lot of time outside on Wednesday! Let's go Roywood!!!

This Week @ Roywood PS

# Run, Jump, Throw

On Wednesday the some of the Grade 1, 2 and 3 students got to participate in the TDESAA Run, Jump and Throw competition. The purpose of this event is to give the younger students a chance to see what it is like to complete at a bigger level before they get to Grade 4 where they can officially start to compete against other students of the same age from all across the TDSB. The students had an awesome time and so did the staff! Thank you to the family members who attended the event!!!

# Continued Learning for All

Students, Families & Staff

# School Improvement Planning @ Roywood PS

## Literacy Goal:

Through a structured literacy approach in Kindergarten to Grade 1 and a deeper application of the comprehensive literacy program in Grades 2-5, the students of Roywood will develop their confidence in decoding and comprehending texts at or above their expected grade level. We will focus on the most underserved students. Teachers will learn how to use phonological and phonemic screeners to develop instruction based on early reading needs. We will monitor three times a year using DRA and ongoing running records.

## Math Goal:

By implementing evidence based numeracy strategies (high-impact instructional practices), we will improve student engagement, learning, and attitudes towards math. To accomplish this, we will support teachers to make instructional choices that help to eliminate disproportionate outcomes and to interrupt oppressive practices (e.g. provide explicit needs-based professional learning opportunities such as "Building Foundational Math Skills in the Early Years" and "Building Thinking Classrooms in Mathematics Through an Anti-Oppressive Lens", work with Math Learning Partner, etc.)
