Beginning of the year health, safety and permission forms were sent out on September 8th for family members to complete. These forms are important so that the school has up-to-date contact information and medical information. To date we have 98 student forms completed, 19 started and 44 forms unopened.

**Please look for the email and complete the forms as soon as possible.
Thank you!**

School CashOnline - ACTION ITEM

Roywood PS will be going CASHLESS next school year. Please take some time to create an account in School CashOnline to be able to pay for field trips, special lunches, spirit wear and any other school items while your child is at Roywood PS.

All of the TDSB is moving towards becoming cashless schools so that children do not have to bring money to school (with the chance of it getting lost), schools do not have to hold a lot of money (with a chance of it getting lost) and to keep up with the ever changing times of the world.

Please use the following link to create your account today! Roywood has 15% of our school signed up... Let's make it 100%!!

Safe Arrival

Student well-being and safety are top priorities at our school. One important measure we take is our Safe Arrival Program, which helps to ensure students have arrived at school safely and when expected.

If your child is going to be late or absent for any reason, it is important that you contact the office immediately and report the reason for the absence.

At the Toronto District School Board (TDSB) we have an automated call-out system. If your child is late or absent, without informing the school ahead of time, the call-out system will attempt to contact you.

Classroom Reorganization - October 2022

Due to our high Grade 1/2 classroom numbers, the board has told us that we have to re-organize our classroom structure for the 2022-2023 school year.

Our new classroom structure will be:

Mrs. Balkaran - Grade 1/2

Mrs. Kumar - Grade 1/2

Mrs. Peralta - Grade 2/3

Mr. Ho - Grade 4/5

All affected students and families were notified on Friday and students brought home letters to inform of changes. A lot of thought has gone into student placement changes.

School Advisory Council - Thank you!

Thank you to all of the families that came out to the school advisory council meeting on Wednesday night in the staffroom. Our next meeting will be on Wednesday, October 26th @ 5:00pm in the school Staffroom!

Continued Learning for All

Students, Families & Staff

School Improvement Planning @ Roywood PS

We are focusing on including more student voice into classroom programming and throughout the school. Some of the ways that we are doing this is through:

- Offering student choice in presentation formats
- Virtual announcements each day with students included
- Sharing resources and books that are representative of the Roywood school community
- Listening to using student opinion on intramural ideas, graduation ideas, classroom setup, etc.
- And more...

We are also focusing on classroom environment to help us use the walls in our classrooms as a third teacher. Some of the ways that we are doing this is through:

- Learning goals and success criteria posted on walls for students to know and understand
- Creating print rich environments for students to learn from
- Including many faces and images of people from many different cultural backgrounds
- And more...
