# Appreciation

Thank you to all of the families that attend our first IN PERSON Curriculum/Meet the Educator Night on Thursday night. The school was buzzing with excitement! The hallways were filled with laughter, smiles and conversation! We were so happy to see you all here on Thursday night and look forward to other in person school events to come!

Thank you goes out to all the Roywood staff for organizing, presenting and spending time with families to let you know what children will be learning this school year!

Thank You!

Thank you to families that have already completed the Start of the Year forms!

Beginning of the year health, safety and permission forms were sent out on September 8th for family members to complete. These forms are important so that the school has up-to-date contact information and medical information. To date we have 16 student forms completed, 19 started and 32 forms unopened.

**Please look for the email and complete the forms as soon as possible.  
Thank you!**

# School CashOnline - ACTION ITEM

Roywood PS will be going CASHLESS next school year. Please take some time to create an account in School CashOnline to be able to pay for field trips, special lunches, spirit wear and any other school items while your child is at Roywood PS.

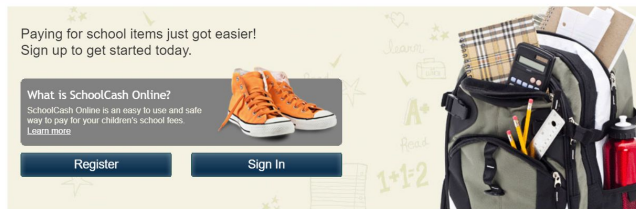

All of the TDSB is moving towards becoming cashless schools so that children do not have to bring money to school (with the chance of it getting lost), schools do not have to hold a lot of money (with a chance of it getting lost) and to keep up with the ever changing times of the world.

Please use the following link to create your account today! Roywood has 15% of our school signed up... Let's make it 100%!!

### Living Things Checklist ✓

1. All living things must be able to grow. 🌱
2. All living things take in food and make energy. 🍌👤
3. All living things must make waste. 🗑️
4. All living things must be able to reproduce. 🐘🐘

The Kindergarten students created turkeys and wrote what they were thankful for this Thanksgiving. What is something that you are thankful for?

At Roywood, we are thankful for an AMAZING school community! :)

# School Improvement Planning @ Roywood PS

We are focusing on including more student voice into classroom programming and throughout the school. Some of the ways that we are doing this is through:

- Offering student choice in presentation formats
- Virtual announcements each day with students included
- Sharing resources and books that are representative of the Roywood school community
- Listening to using student opinion on intramural ideas, graduation ideas, classroom setup, etc.
- And more...

We are also focusing on classroom environment to help us use the walls in our classrooms as a third teacher. Some of the ways that we are doing this is through:

- Learning goals and success criteria posted on walls for students to know and understand
- Creating print rich environments for students to learn from
- Including many faces and images of people from many different cultural backgrounds
- And more...

Please take a moment to  
complete this  
Model Schools' Parent &  
Caregiver Survey so that  
we can work on planning  
beneficial events for  
Roywood families!

## Model Schools' Parent & Caregiver Survey 2022-2023

Please complete this survey to give us an understanding of what you, your school and community need to support your child at home and at school.
