School CashOnline - ACTION ITEM

Roywood PS will be going CASHLESS next school year. Please take some time to create an account in School CashOnline to be able to pay for field trips, special lunches, spirit wear and any other school items while your child is at Roywood PS.

All of the TDSB is moving towards becoming cashless schools so that children do not have to bring money to school (with the chance of it getting lost), schools do not have to hold a lot of money (with a chance of it getting lost) and to keep up with the ever changing times of the world.

Please use the following link to create your account today! Roywood has 15% of our school signed up... Let's make it 100%!!

New Communication Options for Families - School Messenger

The following information was shared with all TDSB families last week:

The TDSB is offering two new ways for parents and caregivers to stay connected with their school and the TDSB.

1. Parents and caregivers will have an opportunity to opt in to receive text messages from their school and TDSB in addition to receiving messages through email. A text message will be sent to you to the phone number you have on file in September inviting you to opt in.
2. Families will also have the option to use the [School Messenger](#) app or website for a faster and easier way to report absences and receive communication sent by the TDSB and your school. This service is available now. More details about how to get started with School Messenger are available below.

Learn more about [SchoolMessenger](#) and watch a [video](#) about it. For more information and instructions for families please visit [this section](#) of the TDSB site.

Continued Learning for All

Students, Families & Staff

School Improvement Planning @ Roywood PS

We are focusing on including more student voice into classroom programming and throughout the school. Some of the ways that we are doing this is through:

- Offering student choice in presentation formats
- Virtual announcements each day with students included
- Sharing resources and books that are representative of the Roywood school community
- Listening to using student opinion on intramural ideas, graduation ideas, classroom setup, etc.
- And more...

We are also focusing on classroom environment to help us use the walls in our classrooms as a third teacher. Some of the ways that we are doing this is through:

- Learning goals and success criteria posted on walls for students to know and understand
- Creating print rich environments for students to learn from
- Including many faces and images of people from many different cultural backgrounds
- And more...

Dear Families,

Join the EarlyON program to engage in a variety of fun activities with your child/children. Have you ever wondered about 1-to-1 correspondence? Let's have our children explore this ability of matching one object with another one.
