The school bell rings at 8:40am! Please make sure to be at school on time as a lot of literacy and numeracy lessons are taught in the morning. If your child is going to be late or absent from school at any time, please call Mrs. De Silva in the office to let her know or leave a message on the school answering machine.

Reporting Student Absences

Thank you for reporting student absences daily. We ask that you **please call the school before the start of the day (before 8:30am)** when you know that your child will be absent from school on any particular day.

This is very helpful for us and stops safe arrival system from calling you multiple times a day. Thank you so much - we appreciate your cooperation!

School CashOnline - ACTION ITEM

Roywood PS is going CASHLESS. Please take some time to create an account in School CashOnline to be able to pay for field trips, lunches, spirit wear and any other school items while you are at Roywood PS.

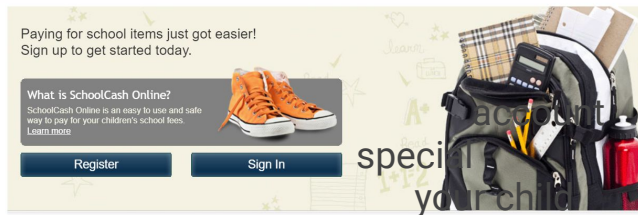

All of the TDSB is moving towards becoming cashless schools so that children do not have to bring money to school (with the chance of it getting lost), schools do not have to hold a lot of money (with a chance of it getting lost) and to keep up with the ever changing times of the world.

The Grade ½ teaching team has been attending professional learning sessions on how to teach math. Ms. Balkaran and Mrs. Kumar have been learning about different strategies that students use to solve math problems and have been trying different techniques to support student learning!

Continued Learning for All

Students, Families & Staff

School Improvement Planning @ Roywood PS

We are focusing on including more student voice into classroom programming and throughout the school. Some of the ways that we are doing this is through:

- Offering student choice in presentation formats
- Virtual announcements each day with students included
- Sharing resources and books that are representative of the Roywood school community
- Listening to using student opinion on intramural ideas, graduation ideas, classroom setup, etc.
- And more...

We are also focusing on classroom environment to help us use the walls in our classrooms as a third teacher. Some of the ways that we are doing this is through:

- Learning goals and success criteria posted on walls for students to know and understand
- Creating print rich environments for students to learn from
- Including many faces and images of people from many different cultural backgrounds
- And more...

November 2023

Dear Parent(s)/Guardian(s):

Welcome to an exciting opportunity to participate in an After-School Leisure Program for students with autism. This program is open to TDSB students in Grades 4 -10 with a diagnosis of Autism Spectrum Disorder (ASD).

This program provides an opportunity for students to develop, build and enhance their social -communication skills through either weekly in-person or weekly virtual sessions. While participating in various leisure activities, students will engage in a variety of cooperative activities that will focus on developing and improving skills in the areas of turn-taking, communicating thoughts and feelings, engaging with others, building empathy for others as well as learning how to identify their personal feelings and apply appropriate strategies to regulate their feelings and behaviours.

An important goal of the program is for students to learn a variety of leisure/recreation type activities that they will feel confident doing at home, at school or in the community. Parents/guardians are strongly encouraged to take part in our scheduled meetings and to practice the various leisure activities together. Activities will be led by qualified teachers who will reinforce Applied Behaviour Analysis (ABA) Instructional Methods throughout the sessions.

The program is being offered both in-person and virtual settings. Students are required to choose their preferred setting and stay with their choice for the duration of the program.

After-School Leisure Program for Students with Autism in Grades 4-10.

description to see the
full letter and
registration information.

Entry to School for students with Autism Spectrum Disorder (ASD)

The Entry to School program supports children who are entering kindergarten/grade 1 for the first time learning in a supportive play-based environment. The program consists of 6 months of group-based skill building, followed by 6 months of school transition support.

The Entry to School Program is appropriate for you and your child if:

- You have a child between the ages of three to six years old.
- Your child is entering kindergarten or grade one for the first time.
- Your child has a diagnosis of Autism Spectrum Disorder (ASD).
- Your child is registered in the Ontario Autism Program (OAP).
- You have received a **letter of invitation** to participate in the program from the Ministry of Children, Community and Social Services (MCCS).

**Please note if you haven't received a letter or you have registered with Access OAP but are waiting to receive your OAP number, you can still call to register.*

There are still spaces available in our program across Toronto. If you are interested please register online through the Toronto Autism Services Network [Entry to School Program – Toronto Autism Services](#) or by telephone call 1-833-575-KIDS(5437).

Bullying

Providing safe, inclusive and positive spaces accepting of all students is a priority in the TDSB. Our schools should be communities where all students are respected, welcomed, nurtured, engaged and encouraged.

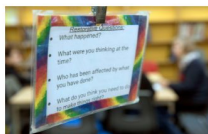

Bullying is aggressive behaviour that is typically repeated over time. It is meant to cause harm, fear or distress or create a negative environment at school for another person. Bullying can take on a number of different forms: physical, verbal, social or electronic, often called cyber-bullying. All forms of bullying are taken seriously in the TDSB.

Reporting

Whether the bullying happened at school, between students off school property or online, if it impacts student safety, the school must investigate and respond to any reports.

What is bullying?

Published on June 19, 2018
Updated on January 13, 2023

Some people may call it harassment, abuse, meanness or drama. However bullying is labelled, it's always considered to be harmful and unwanted behaviour. Bullying is done on purpose and is usually repeated.

Bullying is when someone uses their power to hurt, frighten, exclude or insult someone else. Bullying often occurs between people close in age and is never OK. Bullying can be a difficult experience, but it's important to remember that you're not alone.
