# School CashOnline - ACTION ITEM

Roywood PS will be going CASHLESS next school year. Please take some time to create an account in School CashOnline to be able to pay for field trips, special lunches, spirit wear and any other school items while your child is at Roywood PS.

All of the TDSB is moving towards becoming cashless schools so that children do not have to bring money to school (with the chance of it getting lost), schools do not have to hold a lot of money (with a chance of it getting lost) and to keep up with the ever changing times of the world.

Please use the following link to create your account today! Roywood has 15% of our school signed up... Let's make it 100%!!

# TVO Learning Resources

Gameplay can take many different forms. TVO has selected learning resources that focus on video games and the knowledge that contributes to exciting gameplay, whether it's from real-life sports or the algebra skills that make video games possible. Here are some examples:

Grade 1 - [Tower Down](#) -

anytime your family needs the support.

This Week @ Roywood PS

The Grade 1/2 students in Room 102 are learning about life cycles of different organisms. Take a look at some of their life-like models using plasticine.

## What do you know about patterns???

Congratulations to  
Mr. D who is  
celebrating 25 years  
working with the  
TDSB. We value you,  
we love you and we  
appreciate you!  
**CONGRATULATIONS!!!**

# Continued Learning for All

Students, Families & Staff

# School Improvement Planning @ Roywood PS

We are focusing on including more student voice into classroom programming and throughout the school. Some of the ways that we are doing this is through:

- Offering student choice in presentation formats
- Virtual announcements each day with students included
- Sharing resources and books that are representative of the Roywood school community
- Listening to using student opinion on intramural ideas, graduation ideas, classroom setup, etc.
- And more...

We are also focusing on classroom environment to help us use the walls in our classrooms as a third teacher. Some of the ways that we are doing this is through:

- Learning goals and success criteria posted on walls for students to know and understand
- Creating print rich environments for students to learn from
- Including many faces and images of people from many different cultural backgrounds
- And more...
