French Programs Application Deadline

For families interested in the Toronto District School Board's French Immersion or Extended French programs, we offer an online process for applying to:

- Early French Immersion (EFI) which begins in Senior Kindergarten;
- Junior Extended French (JEF) which begins in Grade 4

We guarantee an offer of placement in the program (not a specific school) to all on-time applicants. Transportation is provided as per the Board's Transportation policy.

The timelines for applying for these programs for September 2019 are:

- Applications for Early French Immersion (for a Junior Kindergarten aged child), must be completed online between October 29, 2018 and November 26, 2018.
- Applications for Junior Extended French must be completed online between January 7, 2019 and February 4, 2019.

Offers of placement within your chosen program will be made to all on-time applicants in the weeks following the close of the application window.

Please note: families with an older sibling currently in a French program are still required to complete an online application for the new student.

For further information about French as a Second Language programs, the application process and dates for Information Evenings, please visit www.tdsb.on.ca/french.

If you have gently used winter clothing you no longer need, consider donating it to Sojourn House. Sojourn House provides temporary housing to refugee claimants. Your help is appreciated.
