

Dear SATEC @ W.A. Porter students and families registered with TDSB's Virtual School,

The TDSB is undertaking the monumental task of creating a Virtual Secondary School and timetabling roughly 18000 students (the equivalent of **15** SATEC Academies).

Please be patient with us and them 😊.

Guidance counsellors at the Virtual School and SATEC @ W.A. Porter C.I. will be sharing duties to support you over the course of the year. Our contact information is contained in the tables below.

We invite you to a Google Classroom that is specifically for SATEC @ W.A. Porter C.I students attending Virtual School. Please join it so that we can keep you updated with important information while you are at Virtual School. **THE CODE FOR THE GOOGLE CLASSROOM IS: m54uyml.**

Guidance Counsellors at SATEC @ W.A. Porter C.I.

We have had personnel changes to our guidance counselling staff as a result of teachers being redeployed to staff virtual school. At this point in time, the first priority of our counsellors is to ensure that students attending in-school and virtual school have timetables and our focus will be on this for the next week. Therefore, we are not yet in a position to assign students to specific guidance counsellors. Please check the Google Classroom as we will update it as information becomes available. Thank you.
