November 18, 2020

Dear Grade 8 Parent and Guardian Community,

We were looking forward to connecting with you tomorrow to share important information about the programs and exceptional teaching and learning opportunities we provide at SATEC @ W. A. Porter C.I. However, as a result of unforeseen circumstances, we will need to delay our live Grade 8 Informational Evening.

We apologize for the short notice and anticipate rescheduling our Virtual Information Evening for December 10, 2020 at 6 p.m.

We understand that students and families are eager to learn more about our school, specialized programs and admission processes. Please stay tuned! We look forward to sharing this information with you and to answering your questions when we meet online on December 10.

In the meantime, you and your child are more than welcome to peruse our new [official school website](#). In addition, our wonderful Student Activity Council also hosts and maintains an [excellent website](#). Our thanks to the council for their continual work on this website. It is one example of the amazing work our students are producing.

Have a wonderful evening and we will see you on the 10th of December.

Sincerely,

Jinah Park
Principal
