Dear Guidance Counsellor,
I'm interested in taking
more of the optional
courses listed. Am I
allowed to do this?

Sincerely,
SATEC Student

Dear Student,

In order to take an additional optional course, you must take Civics and Careers in summer school before Grade 10.

If you are planning to take Civics and Careers this summer, **DO NOT** choose it in myBlueprint™. Add the desired optional course in place of Civics and Careers.

Use the comment field on myBlueprint™ to inform your guidance counsellor about this plan.

Sincerely,
Your Guidance Counsellor

Dear Guidance Counsellor,
I am a specialized student,
do I have to stay in the
Specialized Program in
Grade 10?

Sincerely,
SATEC Student

Dear Student,

When you accepted SATEC's offer of admission in Grade 8, you committed to completing three years of specialized programming.

If a student's needs and interests change and they live **in area**, they may choose to transfer to the Collegiate Program.

If a student's needs and interests change and they live **out of area** they may choose to remain in the Specialized Program or return to their home school.

Sincerely,
Your Guidance Counsellor
