

## How to Register for a Summer School Program

On April 19, 2021 at 10 a.m. registration opens for summer school programs. You will not be able to register before this date.

When you register, select a browser such as Firefox, Bing, Safari or Internet Explorer as Google Chrome is not compatible with the TDSB registration system.

### Step 1: Contact your guidance counsellor about your summer school plans

**Step 2: Complete the online registration** (If you are taking civics and careers you will need to complete a separate online registration for each course)

**Step 3:** After you register, you will receive a 'Course Request Received' email with the *Parent/Guardian Consent* form as an attachment. Complete this consent form and have your parent/guardian sign it. Be sure to check your Junk Mail and Spam folders in case the email winds up there!

**Step 4:** Submit this completed *Parent/Guardian Consent* form to your guidance counsellor to approve or deny your request. **This is an important step because your counsellor requires this form to change your status from 'registered' in the course to 'enrolled' in the course.**

Please name the file using the following format: **Last Name, First Name - Course Code**  
e.g. **Khan, Josie – MPM1DW**

### Ways to Submit the Parent/Guardian Consent Form

- Scan the form(s) and email it/them as a PDF attachment, OR
- Take a photo of the completed consent form and email it as JPEG or PNG file. Please ensure the content of the photo is readable.
