Overview

- Brightspace Pulse is a mobile app for students that can help you stay connected and on track with your Brightspace courses. (Where as Brightspace is the web application via a web browser.)
 - It gives you one easy view of course calendars, readings, assignments, evaluations, grades, and news. The app will help you to make better decisions about how to handle your workload, when to submit assignments, and when to prepare for tests. Real-time alerts will let you know when classes are cancelled, rooms are moved, or new grades are available. The schedule view and weekly visualization enables you to quickly at a glance view what is due today, this week and upcoming across all your courses.
- See all the important dates and deadlines for each one of your courses
 - Anticipate your busiest times with a quick glance
 - Receive the latest grades and news
 - Share updates via email, text messages, and social media
 - Enter your own events and deadlines
 - Edit course details and customize how much assignments and tests are worth
 - Seamlessly log in to Brightspace via your browser to complete tasks

Operating System Support

- Brightspace Pulse is optimized* for mobile devices with the following operating systems:
 - Android™ 5.0 or later on tablets or phones
 - iOS® 11.0 or later on iPhone®, iPad®, and iPod® touch
- To learn more, visit <https://www.d2l.com/the-best-mobile-learning-experience/>
