Hello Silver Springs Families,

We had so many students and staff involved in various activities and fundraising events in October. We had the Terry Fox Walk, Truth and Reconciliation Day, Grade 6 students at The Mono Cliffs Outdoor Education Centre, and the Hindu Heritage Month Launch Celebration - just to name a few!

We are proud to say that we had a large number of families who made generous donations to both the Terry Fox and the Orange Ribbon Campaign. Thank you so much for your kind and generous donation to support both causes and to continue to support these important causes.

Our school will hold a Remembrance Day Assembly tomorrow on Monday, November 11th to honor those who have served and sacrificed for our country. Students will be receiving a poppy and we are accepting donations for poppies in support of the Royal Canadian Legion. Students may bring a small donation if they wish and share it with their teacher so that it can be submitted to the office. Thank you for helping us to remember and reflect together.

We thank you for the continued support from our families as we strive to continue to make Silver Springs a safe and welcoming place for all our students and their families.

Mrs. Kin Irving & Mrs. Lisa Surgenor

Pick Up, Drop off And Parking Reminders:

During the morning drop off and after school pick up, **the safety of our students are of the utmost importance to us.** We ask that we all work together to help all students, staff and members of the community feel safe as they walk to, from and through the school.

The front of the school is designated for our Bus Drop off and Pick ups. It is important that cars should not be parked in the front area of the school and making u-turns in this area as it is a danger to the safety of our students and community members.

We encourage families to have their children walk to school, however, if you must drop your child off, we ask that you park on either:

- Rakewood Crescent
- Revlis Crescent

SILVER SPRINGS HANDBALL INTRAMURALS

After six weeks of fierce competition and lunchtime action, the Silver Springs Handball Intramurals are officially coming to a close! Five teams, made up of students from Grades 5 through 8, have been battling it out, demonstrating great teamwork and sportsmanship throughout the season.

The moment of truth arrives this Monday, November 10th, with the final Championship game. The Bengals go head-to-head against the Jaguars! The winning team will not only earn the title of Silver Springs Handball Champions and bragging rights, but they will also receive a special challenge and treat: a match against a combined team of Silver Springs staff and students!

Be sure to check out our website for updates and results:

Our next intramural period kicks off immediately. Next week we transition to the Silver Springs Champions League Indoor Soccer!

Classroom News

The students of 78A & 78B partnered with Friends of the Rouge to learn about our shared responsibility to protect the land. They planted trees in the Boxgrove area of Markham and learned that planting trees native to the area supports local wildlife and reflects Indigenous knowledge and respect for the land. The trip helps students understand how everyone can make a difference in caring for the Earth.
