

## Who are we? Introducing the 2023-24 Sir Adam Beck Junior Public School Council Members

Our Council is made up of volunteers who represent the interests of parents, guardians and students at Sir Adam Beck Junior Public School. We aim to improve student achievement and enhance the accountability of the education system to parents. We do this by working with the principal on a variety of issues and activities affecting our school and fundraising for activities that enrich the learning experiences of SAB students.
