Principal's Message:

We have arrived at the mid-way point of another school year. Thank you to the parent/guardian volunteers that continue to support our skating excursions and to the many who came in to read as part of our literacy week finale. We look forward to having our SAB Carnival festival return next week and would like to thank in advance those who have donated items or signed up to volunteer.

During the month of February, the TDSB proudly recognizes African and Chinese Heritage Month. It is an occasion to celebrate the many achievements and contributions of peoples of African and Chinese descent to Canada and the world. The Lunar New Year, also known as the Spring Festival, is one of the most significant holidays for Chinese communities around the world. The date is selected by the traditional lunisolar Chinese calendar and the celebration lasts 16 days. This year marks the Year of the Dragon, which begins on Sunday, February 10, 2024.

This year's African Heritage theme is *Our Black Is...* Our Black Is Resilient, Community, Beautiful, Unity, Joy, Self-Determination, Excellence, Empowering, Purpose, Brilliance, Engaging, Creative, Belonging, Tenacious, Powerful, Faith, Audacious, Me... This open statement, "Our Black Is..." was selected as the 2024 African Heritage Month theme, as it is for Us as a Community to define. We invite our community to continue to boldly define ourselves. To kick off African Heritage month at the TDSB, we are excited to extend an invitation to all students, staff, and the TDSB community to join us in marking this significant month with entertainment, and noteworthy speakers at the African Heritage Month Virtual Launch on Thursday, February 1st, 2024 from 10:00 – 10:45 a.m.

We are well on the way to the reporting period for the Provincial Report Card. We look forward to providing parents/guardians with the opportunity to discuss their child's progress at the Report Card/Kindergarten Communication of Learning conferences. We know that children benefit most when parents/guardians and teachers work together as partners in learning. Report cards will be sent home on Monday February 12, 2024 and conferences will be scheduled that week and on the evening of February 15 and the morning of the PA Day, February 16th. We will be opening our online booking system from Monday February 5th – 9th – please be sure to book your parent/guardian-teacher conference. A separate email will be sent out to all families with instructions. Please contact us immediately if you are unable to keep an appointment.

Kindergarten registrations will take place in February. If you have a child who was born in 2020 or know a family that is interested in registering, please have them register online: <https://www.tdsb.on.ca/EarlyYears/KindergartenMonth> Lastly, we would like to remind you of the extra-long weekend in February. Friday February 16 is a PA Day and Monday February 19 is Family Day. Please take this time to enjoy with your immediate and extended family as the purpose of this holiday is to emphasize and celebrate the importance of families being together.

Yours in partnership,
M. Kanalec
Principal

Lunchroom Supervisors Needed

Do you have an hour to spare in the middle of the day? We are seeking energetic, reliable and trustworthy individuals with a love of working with children that are interested in becoming Supply Lunchroom Supervisors. “The more that you read, the more things you will know. The more you learn, the more places you’ll go.”— Dr. Seuss

The Toronto District School Board continues to identify the importance of building joy, engagement and belonging in schools as a foundation for academic achievement and student success. This is something that, we at Sir Adam Beck, continue to embrace and have worked tirelessly toward.

One of our school goals continues to be the implementation of evidence-based literacy practices into our daily programs while centering student voice, identity and lived experiences. Teachers have actively engaged in professional development opportunities exploring phonological and phonemic awareness skills thereby helping students build their reading toolbox of strategies.

During the week of January 22nd, we celebrated Literacy Week at Sir Adam Beck. Students and staff had the opportunity to share their favourite books, listen to different teachers read and continue to build upon the joy and love of reading. We kicked the week off with a bilingual interactive performance of *Beauty and the Beast* performed by the Dufflebag Theatre group. Our Literacy Week celebration culminated on Friday January 27th with our Family Literacy Day when we welcomed Parents and Caregivers into classrooms to share their favourite books and stories.

As partners, we acknowledge the important role that Parents and Caregivers play in creating a strong bond between home and school and are grateful to everyone who was able to participate in our celebration. We would also like to thank our School Council for their continued support of such initiatives and for helping us build a foundational love of reading in all students.

February in the Library

Hello SAB Families!

In February, we celebrate African Heritage Month and Chinese Heritage Month. Our read alouds will reflect these heritage months as well as the character trait of fairness. With each read aloud, we focus on specific reading strategies and various aspects of the text.

The Forest of Reading Program is well underway and we have 50 students in Grades 3-5 who are eagerly reading books from three different series. Every day 3, 4, and 5 the library is open at lunch for the Forest of Reading club students to come to read and exchange their books. Once they have finished reading a Forest of Reading book, they will visit a book expert (thank you to the many staff members in the school who have pre-read the books and are ready to have book talk with students). Students will then receive a signature in their passport for each book they complete. This program will continue until April when students will have an opportunity to vote for their favourite book.

While the entire school is reading the Forest of Reading picture book series (Blue during library time, students in Kindergarten to Grade 2 will also be voting for their book out of the ten they hear in class. French Immersion Kindergarten to Grade 2 will also have the opportunity to hear French Forest of Reading picture books (Prix in their homeroom classes and will be able to vote on their favourite French book as well.

A special thank you to Mrs. Harwood and Mme Bangma who are helping me run the to all the staff members who are book experts.

Author Visit

Catherine Little, a local Canadian author who writes books that focus on Asian Heritage, and the history and culture of Canadians of Asian descent, will be visiting library this month to help celebrate Lunar New Year. Every student will have the opportunity to hear Ms. Little read her book and participate in an activity. Ms. Little visiting Sir Adam Beck on the morning of Monday February 12.

A special thank you to the Sir Adam Beck School Advisory Council (SAC) for this wonderful opportunity.

TPL Update

The Toronto Public Library computers are still not working, however, recent updates indicate that during February the computers systems will slowly come back online. Please continue to check the TPL website for updates.

If you have any questions about the library, please don't hesitate to contact me via email: kathy.botham@tdsb.on.ca

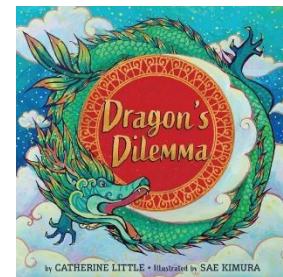

Happy reading!

Health, Physical Education and Dance News

The HPED program continues to be busy with the students engaging in a variety of activities.

The Grade 1 and 2 classes just wrapped up a unit around healthy eating where they learned about building a healthy and balanced diet using the recommendations from the Canada's Food Guide. Students learned that a healthy diet consists of items from the fruits, vegetables, protein and whole grains as well as the importance of drinking water for hydration. The classes are now starting with Ball Hockey in the active part of the program.

Grade 3/4 classes reviewed the importance of eating a balanced diet using Canada's Food Guide but further explored the importance of understanding where our food comes from and how it is healthier to consume whole, natural foods as opposed to processed foods. Students are now aware to check labels to understand what is going into their body. The grade 4 students are also learning about the different types of bullying and how to recognize bullying and how to seek help.

The grade 4/5 class has just wrapped up a Basketball unit and are now learning about how to use the elements of Dance to communicate feelings and ideas in short, group dance pieces.

HPED Teacher

Intramurals Coming Soon!

There will be lunch time Hockey and Bench Ball intramurals starting for any interested students in grades 1 and 2 starting in February running through to mid March. Grade 3 intramurals will begin mid March to the end of April.

Further details will be provided soon.

Thank you,
Mrs. Giorgio and Mrs. Harwood

National Sweater Day/ Journée nationale du chandail – February 4th, 2024

We will be recognizing National Sweater Day on Friday February 9, the final day of our SAB Carnival week.. National Sweater Day is an opportunity to raise awareness about climate change and energy conservation, and show how together – classroom by classroom, school by school, home by home, – we can be a part of the solution.

Heating accounts for 80% of residential energy use in Canada. If all Canadians lowered their thermostats by just 2 degrees Celsius this winter, it would reduce greenhouse gas emissions by about 4 megatons – that's equivalent to taking nearly 700,000 cars off the road! A simple solution to reducing these emissions is to wear a warm sweater instead of raising the thermostat in our buildings. **Let's all do our part!** We invite the SAB community to participate at school & at home by wearing a warm sweater and lowering your thermostat.

Fundraising update

SAB Council has a few new fundraisers planned for this spring. More info will be provided soon.

Diversity & Inclusion Corner

February is **African Heritage (Black History) Month**. It is an occasion to commemorate present and past individuals who helped shape the path of our future student leaders, while also celebrating the many achievements and contributions of numerous individuals with this heritage! Their voices and actions impact our society, and work to continuously improve the world we live in.

TDSB's chosen theme this year is *Our Black Is...* Our Black Is Resilient, Community, Beautiful, Unity, Joy, Self-Determination, Excellence, Empowering, Purpose, Brilliance, Engaging, Creative, Belonging, Tenacious, Powerful, Faith, Audacious, Powerful, Me...

The **Lunar New Year** begins on February 10th this year. Lunar New Year is also known as the Spring Festival and begins with the first new moon of the lunar calendar and ends on the first full moon of the lunar calendar, 15 days later.

Lunar New Year is observed by over a billion people around the world. Many people of Chinese, Korean, Vietnamese and some Japanese heritage hold festive traditions during this 15-day event. Ceremonies to honour the gods and ancestors are conducted at the end and beginning of each year. Events centre on the family, festive meals, lighting of lanterns and displays of fireworks. Grandparents and parents offer lucky money to their descendants as a form of good fortune.

SAB is celebrating this year by having an author come in to share stories. Stay tuned for more info.

PET DOGS ON SCHOOL PROPERTY

This is reminder that dogs are not allowed on school property during the school day (8:20AM – 3:25PM) Some of the members of our school community have allergies and/or are uncomfortable (uneasy) with dogs in close proximity. Our custodial team has worked hard with our ground crew to introduce signage around the property reminding our families and visitors of this TDSB Risk Management Policy. If you do enjoy walking your pet after hours please do remember to pick up after your pet.

Sir Adam Beck's Waste Audit Food for Thought

Which waste source (garbage, recycling, or the green bin) resulted in the most waste?

The recycling bin resulted in the most waste at 1.8kg.

Which waste category represented the largest percentage of your waste for each waste source?

Garbage: All garbage items at 83%

Recycle: Recyclable papers at 93%

Green bin: Food waste and paper towels at 99%

How much waste does each student at Sir Adam Beck create annually?

According to these results, 1.5kg a year!

Were you surprised by the results?

Evelyn-I was a little surprised by how much paper towel we found in the recycling bin.

Claire-I'm surprised that we got 99% correct in our green bin.

Morvarid-I was surprised by the coffee cups in the garbage.

Alice-I was surprised by the wrappers in the recycling bin, they weren't in the right place.

How much waste did you help to divert?

Based on these results, we will divert 64% of waste this school year!

Did you find any reusable items?

No, we did not! Keep using our recycling bins in front of the office for batteries, writing utensils, ink and glasses.

How much waste in your garbage was actually garbage?

83% of our waste was actually garbage!

Are most of your recyclables and organics getting sorted into the correct bins?

Almost! Most of our recyclables are getting recycled into the correct bins. We did find a few items that should have been in the garbage, like a yogurt container that wasn't rinsed. Our green bin was filled with 99% food waste and soiled paper. However, some paper towels were found in garbage bins and recycling bins.

How can you promote proper waste sorting at your school?

According to EcoSchool Club members, SAB can do the following to promote proper waste sorting:

- Litterless lunches, have Waste Wizards on hand in the lunchroom during pizza lunches
- Reusable water bottles in the classroom
- Announcements about proper sorting
- Label bins and put posters up around the school, display on bulletin boards
- EcoClub members will show audience how to sort waste properly at assembly
- Recycling Bin Monitors are trained on proper waste sorting and hand out weekly We Recycle or OOPS tags
- Visit classrooms to review proper sorting

How can you reduce waste at your school?

Our EcoClub members said SAB can reduce waste at our school by sending a note home in student lunch bags about litterless lunches. There will be more green bins available for food waste, at lunch and at recess and waste wizard to help sort waste on Fridays. We host an annual clothing drive in the Spring to minimise clothing waste.

Happy New Year

I hope you enjoyed a restful winter break and are ready for the exciting opportunities the new year holds. To our students: welcome back! Your enthusiasm makes our schools truly special, and I look forward to supporting and witnessing your growth and achievements in 2024. A heartfelt thank you to our families for your ongoing support. Together, we create an environment where students can thrive academically, socially, and emotionally – inside and outside the classroom. May 2024 bring curiosity, discovery, and success to each student in our community. Wishing you a Happy New Year filled with learning, laughter, and lasting friendships!

Inclement Weather

As we all know, with Canadian winter comes snow and severe weather! At times, it is necessary to cancel student transportation, classes and/or programs. On rare occasions, severe weather makes it necessary to close TDSB schools, administrative offices or sites. [Visit the website](#) to learn about Snow/Cold Weather and the Procedure for Severe Weather.

Reducing the Spread of Respiratory Illness

We are now in the middle of cold and flu season. A reminder of the number of steps that can be taken to help keep children and others safe from an increase in respiratory viruses among children, including Respiratory Syncytial Virus (RSV), Influenza and COVID-19. Please note that Toronto Public Health, together with Ontario's Chief Medical Officer of Health, strongly recommends wearing a well-fitted mask in indoor public settings, including in schools and childcares.

Preparing for Exams and Culminating Assignments

Legacy Boundaries Review

I invite you to participate in the public consultation meetings to explore the Board's options for addressing the legacy technical and commercial boundaries that still exist in some parts of the city. The public consultations will be held between 6:30pm and 8:00pm on the following dates:

- Monday, January 15th
- Thursday, January 18th
- Sunday, January 21st

The schools with large legacy boundaries include Central Technical School, Central Toronto Academy, Danforth Collegiate and Technical Institute, Northern Secondary School, Western Technical-Commercial School and to a lesser extent, Victoria Park Collegiate Institute.

These large regional boundaries were created at a time when students were streamed into academic or vocational programming and have outlived their intended purpose.

The Board is proposing that these legacy boundaries be dissolved to eliminate 'as-of-right' access to these schools for some parts of the city, while expanding access to all students in Toronto. Staff is proposing that the legacy boundaries be dissolved for admission in September 2025.

Online Tutoring for TDSB Students

I am pleased to share that online, on demand tutoring supports are available 24/7 for TDSB students this winter. **Elementary students** can access homework help and enrichment opportunities in all subject areas and grades through [Brainfuse](#). Families or students (18+) interested in online tutoring services can view the [Brainfuse Poster](#) for more information or contact [Brainfuse](#). TDSB **secondary students** are able to access tutoring for all courses and grades through [Paper](#). Families or students (18+) interested in online tutoring services are encouraged to view the [Paper Poster](#) for more information or contact [Paper](#) directly.

English Kindergarten Registration Begins in February

Starting on the school journey is an exciting milestone, and TDSB schools are proud to offer a vibrant learning space for every child's development – inside and outside the classroom. Registration for English Kindergarten programs starts in February. For Junior Kindergarten enrollment in September, children should be four years old by December 31. Senior Kindergarten registration requires children to be five years old by December 31. To learn more, please visit the [Kindergarten Registration page](#).
