Good afternoon Sir Samuel B. Steele Families!

Hope you and your family are keeping well and staying safe.

Please see below for our updates:

News from Our Grade 4/5/6 Extended French Class

<p>Bad effects of gravity</p> <p>Even though gravity provides lots of good uses, it still has bad effects too. If you fell with gravity there would be gravity pulling you down at an angle and you would endure injuries including, scrapes, scratches, and concussions. But, on the other hand, if you didn't have gravity, there would be no force pulling you down so you wouldn't endure the injuries of a fall. For carrying stuff, gravity is pulling the stuff you carry down. This, results in making something heavier and harder to carry. If you did jobs in labor, then you would gain muscle fatigue, muscle fatigue, and tiredness.</p> 	<p>More cool igneous rocks</p> <table border="0"><tr><td data-bbox="800 877 967 1066"><p>Quartz</p></td><td data-bbox="987 888 1162 1066"><p>Dolomite</p></td><td data-bbox="1187 898 1325 1066"><p>Conglomerate</p></td></tr></table>	 <p>Quartz</p>	 <p>Dolomite</p>	 <p>Conglomerate</p>

For our Grade 4 Science unit, we have been looking at Rocks and Minerals. The students were able to independently explore different relatable topics.

The Grade 6 students have been learning about Space. Here is an example of a discussion on gravity. We realized that there is so much more to learn about space and our solar system! - Mr. Li

Welcome to Kindergarten Virtual Evening

We will be having a virtual Welcome to Kindergarten evening on Thursday, June 17th at 4:30 pm to share information about our Kindergarten program and to get to know new JK students, who will be joining our school in September. More details about the evening will be shared in the upcoming weeks.

Grade 6 Farewell Virtual Ceremony

As we welcome our new JK students, we will also be bidding farewell to our grade 6 students. We will be having a virtual Grade 6 Farewell Ceremony on Thursday, June 24th at 4:30 pm. Planning is under way in connecting with our virtual school students and families to make this evening a memorable one for all our grade 6 students. More details about the evening will be shared in the upcoming weeks.

Spelling Bee of Canada 2021 Competition

[Spelling Bee of Canada](#) is pleased to announce that registration for its 2021 Competition is now open. Participation is voluntary and extracurricular. Students who join will be supported by their teachers, mentors and volunteer coaches, but we will also need a

commitment from the parent/guardian to encourage their child/children to study on their own on a regular basis.

[Registration](#) is open from April 1st to May 31st, 2021 and the price per child ranges from \$40.00 for the basic package to \$85.00 for the expert package. Each registrant receives the official spelling E-study guide in pdf format for their age category and the opportunity to compete in the local virtual chapter spelling bee competition. Higher tiers also include additional study resources and access to coaching and events – the accompanying registration form gives each package’s full details. Regional competitions will take place online during July and August 2021. Every child will receive a participation certificate. The 1st, 2nd, and 3rd place finishers in each age category will receive cash prizes and medallions. The 1st place winner from each category will be eligible to participate in the Online Championship Final on October 3, 2021. The Spelling Bee programme has three age categories: Primary (ages 6-8, born 2012-2014), Junior (ages 9-11, born 2009-2011), and Intermediate (ages 12-14, born 2006-2008). Students will be placed in one of the three categories based on their age as of December 31, 2020. Every year the children are asked to nominate their unsung hero and write an essay, the topic for the essay this year is “How do you stay connected with friends, family and loved ones during the pandemic?” The instructions will be listed in each e-study guide per category.

How to register? You can register for the 2021 Spelling Bee Competition at www.spellingbeeofcanada.ca/registration

What are the Payment Options? Parent/Guardian directly registers their child online. See below:

1. Parent/Guardian visit: www.spellingbeeofcanada.ca/registration
2. Parent/Guardian completes the registration steps as outlined on the website.
3. Accepted payment methods online* Visa, Mastercard, PayPal, Debit.

*Please note that if you cannot pay by the above options, please connect with SBOC headquarters (info@spellingbeeofcanada.ca or call 416-746-0072) to make alternative arrangements.

For any questions, please contact Julie Spence at info@spellingbeeofcanada.ca

Planning for Next School Year

It’s hard to believe that we are nearing the end of this school year and are beginning to plan for next year! As we begin to engage in planning, it would be helpful for us to be aware of our families, who may be moving to a new location. If your children will not be attending our school next year, please email our office administrator Lori Humber at Lori.Humber@tdsb.on.ca.

Elementary Summer School 2021 – Registration Now Open!

The focus of the Elementary Summer School Program is to support student learning and engagement through the month of July. Programs, embedded in Literacy and Numeracy, are developed by the local summer school principal to reflect the local school focus. Thirty-eight programs are offered to students in Kindergarten to Grade 8, from July 5 – 30, 2021 through virtual instruction.

Registration is now open! [Click here](#) for a full list of participating schools and registration information.

Have a great long weekend 😊

Krishna Kumar
