School Councils

Welcome back to the 2023-2024 school year!!

School Councils work to improve student achievement and to enhance the accountability of the education system. As collaborators in education, schools and School Councils recognize that all parents/caregivers have an equitable place in our schools' community, free from racism, classism, and other isms, intentional or unintentional.

Osler's School Council will be holding our first meeting of the year on Wednesday, October 18th at 7pm in the Osler Library. We encourage our Osler families to attend and to be part of this year's conversations. Council Elections will also be held at this meeting. Please see attached flyer for election details and the nomination form.

Lost & Found

We have a Lost & Found at Osler that is brimming with unmarked items. We ask families to please mark your child's belongings with their name to assist us in returning anything that is lost. If you are aware of an item your child has lost that is not marked, please reach out to the school with a description.
