Soaring Eagle Update

24 November 2023

Dear Osler Community,

It has been a great week at Osler! Our students had a wonderful time at the Trolls movie on Thursday. Our Best Buddies also had a fantastic outing on Tuesday. Mid-term reports were also sent home this week, both in hard copy and electronically – if you have any questions about your child’s report, please reach out to their teacher.

We have also been talking about Bullying Awareness and Prevention this week. Part of our school-wide events is the Caught You Caring challenge, where students are given stickers to wear if they are “caught” by a staff member doing something kind. Students are also entered into a prize draw – we drew some prizes on Friday, and we will have another draw on December 1st to finish up the 2-week challenge. It is amazing to see so many students thinking about what it means to be caring towards others.

We are always available to discuss any questions or concerns you may have. We wish you a wonderful ending to the month of November!

Free Parent/Caregiver Online Workshop - November 29th from 6:30 - 7:30 PM

It can be challenging to sort fact from fiction online, and an increase in hate speech, alongside ChatGPT and other artificial intelligence tools, have made it even harder. This [virtual workshop](#) is designed to help parents and caregivers learn simple skills for spotting misinformation in the context of social media platforms and AI.

To register, visit: www.ctrl-f.ca/en/TDSB

Registration is free and will be limited to 300 spots.

This session is a repeat of the April and October 2203 sessions.

Presenters

- Kim Davidson is a teacher-librarian and digital media literacy specialist who has been with TDSB for 22 years. She is also a member of CIVIX's Board of Directors.
- Ken Boyd is Director of Education at CIVIX, a charity dedicated to building the habits and skills of active and informed citizenship among youth.
