Soaring Eagle Update

31 May 2024

Dear Osler Community,

We can't believe that we are arriving to June! We have had lots of fun this week at Osler, such as hosting the SPEEL celebration for east-end schools on Thursday. Our participating students enjoyed a delicious lunch and time for dancing and socializing with peers from other schools – it was a wonderful event!

Of course, the highlight of this week was our annual Track & Field Day at Birchmount Stadium! Our students not only did very well in the events and brought back lots of ribbons, but they showed excellent sportsmanship and care for each other. We are all very proud of them!

Thank you to everyone who attended our final School Council meeting of the year on May 29th. Big thanks to Tharsiny Markandu, Dora Mehany and Christina Ekonomakos, who served as our Executive this year – your work is truly appreciated!

Please note that Monday, June 3rd is a 1pm dismissal for our Staff Meeting & PLC. Wednesday, June 5th is our last swim day for the year. And we hope to see many of you at Fun in the Sun on Thursday, June 6th!!

As always, please reach out to us with any questions or concerns you may have. We wish you a great weekend!

Post-Graduation Transitions

It's never too early to plan for post-graduation. It is a very significant event in a student's life and family routines. The Osler Post-Graduation Transition book is a starting point to assist. Copies were handed out this year. A new edition has been posted and is only available on-line.

If you have any questions or concerns, regarding your child's post-graduations plans, please reach out to DSO (Disability Services Ontario) or our Guidance Counselor, Wende Tulk.

Any suggestions for future updates are always welcome.
