Soaring Eagle Update

7 June 2024

Dear Osler Community,

We have had another fun week here at Osler! Our Pride Flag was raised on Monday morning, and we had our final swim day for the year on Wednesday. And it was great to celebrate Rainbow Day on Friday!

Our Fun in the Sun event was a huge success, and it was wonderful to see so many current and past students and families back at Osler! Many people helped to make this come together, and we thank you for your donations and hard work:

- Tharsiny Markandu
- Christina Ekonomakos
- Dora Mehany
- Jennifer Corbett
- Tanya Olivia Thompson
- Monique Guay & Edward Numajiri
- CUPE 4400
- Mr. Augustine & Ms. Boyd
- All the staff and students who helped with the event!

This Monday, June 10th, we are excited to welcome Madison Tevlin to Osler to present to students and staff. Please see the next page for details.

As always, please reach out to us with any questions or concerns you may have. We wish you a great weekend!

June 10th Presentation – Madison Tevlin

Osler is excited to welcome Madison Tevlin to present to some of our classes on Monday, June 10th from 10:30 to 11:30 in our cafeteria.

Born and raised in Toronto Ontario, Madison is a model, host, content creator, actor and advocate. Her on-screen credits include: Mr. D, Who Do You Think I Am?, Screams From the Tower, hosting the red carpet at the Canadian Screen Awards, and her iconic role as Cosentino in the film Champions, starring Woody Harrelson, directed by Bobby Farrelly.

Madison was the first person with Down syndrome to be nominated for a Canadian Screen Award for Best Talk Show Host.

Madison is a member of Best Buddies International, she walked the runway as part of the Knix Confidence Tour, was the Keynote speaker at the Dear Mom conference in Laguna Beach. Oh, and she also received the Quincy Jones Exceptional Advocacy award in 2023 from the Global Down Syndrome Foundation.

She's co-hosted Breakfast Television and etalk, has written for Net-a-Porter and Maclean's, and made Drew Barrymore fall in love with her when she appeared on Drew's show.

Madison dreams big and has worked hard to make those dreams come true. She is shattering the expectations people have about Down syndrome and she's inspiring her community and beyond to overcome obstacles in pursuit of happiness.

Post-Graduation Transitions

It's never too early to plan for post-graduation. It is a very significant event in a student's life and family routines. The Osler Post-Graduation Transition book is a starting point to assist. Copies were handed out this year. A new edition has been posted and is only available on-line.
