## Soaring Eagle Update

28 August 2024

Dear Osler Community,

We are thrilled to welcome you back to another fantastic year at Osler! We also welcome many new students and families to our special community. We are looking forward to our first day of classes, Tuesday, September 3<sup>rd</sup>.

As school begins, we start to see school year routines come back. Please note that cafeteria service will not begin until Friday, September 6<sup>th</sup>, so students should prepare to bring lunch for the first few days. Lockers will be assigned to students next week.

Annual permission & validation forms should have been emailed already. Please complete these as soon as possible.

Our first 1pm Dismissal is on Monday, September 9<sup>th</sup>. Photo Day will be on Friday, September 20<sup>th</sup>. And stay tuned for details about upcoming Spirit Days as we celebrate being back together!

Please feel free to contact the school at any time with any questions or concerns you may have. Student timetables will be sent home on Tuesday and staff will be on hand on Tuesday to help students find their classes.

We wish you a great long weekend!

## Early Dismissal Days

Professional Learning (PLC) and Staff Meetings are an important tool for staff development and school improvement. At Osler, PLC/Staff Meetings are held once a month, typically on the first Monday of the month. Note that the early dismissal (1:00) schedule is also followed for the Family-Staff Interview and Commencement dates.

On PLC/Staff Meeting days, students are dismissed at 1:00pm where busses will take students home to their afternoon address. Please ensure you are able to meet your child at this time. Please refer to the attached Calendar of Important Dates or our School Google Calendar for our important dates, including early dismissal dates.

<https://schoolweb.tdsb.on.ca/sirwilliamosler/Home/School-Calendar>

Our first early dismissal (1:00) for the PLC/Staff Meeting is Monday, September 9, 2024.

## Student Transportation

All caregivers with students who take the bus to school are encouraged to sign up for the Student Transportation Parent Portal to access important bussing information and updates, which gives you access to transportation information specific to your student, including route number, stop location, times and bus company contact details. There is also the web based “where’s my bus” tool that will indicate the whereabouts of the bus for those who are registered.

### Transportation Parent Portal :

<https://busplannerweb.torontoschoolbus.org/>

Instructions on how to create an account on the Parent Portal are attached. Please note that your child's OEN number (not TDSB Student Number) will be required. The OEN can be found on the report card.

If your student is going to be absent, please contact your transportation carrier to inform them of the absence, as well as contacting the school.

Please note that any changes to a student’s transportation must go through the school. Any changes can take up to 2 weeks. Please note that drivers are not authorized to change pick-up or drop off locations / times.

## School Cash On-line

All school fees applicable to your child will be posted on School Cash Online. Once you register, you can choose to purchase the items or activities using a debit or credit card. You will be able to see when the school has a new item posted online for purchase and you also have the option to be notified whenever your child has a new school event requiring payment.

You can register by visiting the TDSB's [School Cash Online website](https://tdsb.schoolcashionline.com/), selecting “Get Started Today” and completing the three registration steps. Once registered, you will receive an email notification when items become available for purchase online.

<https://tdsb.schoolcashionline.com/>

Currently, on School Cash On-Line, the following items/activities are available:

- Yearbook (\$10.00)
- Communication Log Book (\$5.00)
- Back to School BBQ: Sept 27<sup>th</sup> (\$10.00) (Closes September 18)
- Festive Brunch: Dec 12 (\$10.00) (Closes November 29)

Should you wish to provide a donation to support other families in need.

### Parent Concern Protocol

At Osler, we firmly believe in a strong partnership between school and home. From time to time, concerns may arise, and we prioritize open communication with parents and caregivers. The TDSB has developed a Parent Concern Protocol to give families some direction about steps to take when raising questions or concerns:

### School Safety

The safety of all students and staff at Sir William Osler H.S. is our primary concern. Our community respects all of our students, their privacy and their vulnerabilities. To ensure our school community remains safe for all, we would like to remind families that students are to be dropped off or picked up in the office, where they will be escorted to class by a staff member. During school hours, we ask that Parents/Guardians/Caregivers do not go through the school halls, unless accompanied by a staff member. Thank you for your understanding regarding this important school safety matter.

As some of our students are not aware of dangers around traffic, we also would like to remind our community that the speed limit in the school parking lots is 10 km/h.

Together we can keep our students safe.

### Reporting Student Absences

Using the School Messenger app or website provides a faster and easier way to report absences for your child. After downloading the app, parents/guardians may see your related SchoolMessenger Contacts across TDSB schools (i.e. if you have more than one child in the TDSB, they will all appear in a single account). This is available for download now. Click on the hyperlinks to learn more about [SchoolMessenger](#) and watch a [video](#) about it.

For the security of safe arrival absence reporting, parents/guardians can set up a Personal Identification Number (PIN) per student. This PIN will be required when reporting and explaining absences for this student by phone and will provide an extra level of security and prevent students from reporting their own, unauthorized, absences. Please see the attached instructions for setting up a PIN.

### How to Get Started on the App

Download the app from the Apple App Store or Google Play. Open the app and tap 'Sign Up' at the bottom of your phone screen. Enter the email address that your school has on file, location and create a password. You will then receive an email to verify your account. Once verified, reopen the app. Enter the same email address and password used to create an account. Tap Log In.

### How to Get Started on the Website

Visit <https://go.schoolmessenger.ca/>. Click on Sign Up at the top right corner. Enter the email address that your school has on file, location and create a password. You will then receive an email to verify your account. Once verified, reopen the site. Enter the same email address and password used to create an account. Click on Log In.

## Safe Arrival Policy

Parent(s)/Guardian(s) are responsible for communicating any planned student absences, lateness, or change in safe departure plans to the school on a timely basis and for providing the school with complete and current emergency information to enable the school to make any necessary follow-up contacts.

Each morning, Osler staff will contact parents/guardians of any student who is absent and whose absence has not been reported in advance. We appreciate your cooperation as we make student safety and safe arrival top priorities.

## Road Rehabilitation/Bike Lane Upgrades on Huntingwood

The City of Toronto will be working on Huntingwood Drive to rehabilitate the road and bike lanes. The project will be completed over three phases:

- Phase 1: July to November 2023: Pharmacy Avenue to Warden Avenue (completed)
- Phase 2: May to July 2024: east of Warden Avenue to west of Birchmount Road
- **Phase 3: August to October 2024: west of Kennedy Road to east of Birchmount Road**

Please note that this may impact bussing times.

## Ongoing Health and Safety Information

### COVID Self Screening

The Toronto Public Health COVID Screening tool [can be found here](#). Students are reminded to self-screen for symptoms and stay home if they feel ill. We are following Provincial and Public Health guidance. If students are absent, they should contact their teacher to find out about missed work.

### COVID-19 Health and Safety Measures and Practices

Over the past 3+ years, TDSB staff and students have been diligent in following the health and safety directions provided by the Ministry of Education and Toronto Public Health to manage COVID-19 and keep our schools and sites as safe as possible. We continue to follow the Ministry of Education guidance for this new school year. We continue to take our health and safety direction from the Ministry and Toronto Public Health, and it is important to note that this is the current information and can change based on a change of guidance.

**Screening** – Students and staff should continue to do a daily self-assessment before entering school or Board buildings and stay home if they are sick.

**Masks** – The TDSB continues to be a mask-friendly environment inclusive of all staff and students. While the Ministry of Education and public health officials are not mandating the use of masks, Toronto Public Health strongly recommends wearing a well-fitting, high-quality mask, especially in indoor public settings. The TDSB will continue to provide medical masks for staff and students who request them.

**Vaccines** – The TDSB will continue to work closely with Toronto Public Health to support their vaccination efforts for COVID-19 and other illnesses. School-based clinics may continue to operate to support local communities and we will share any information with our community about possible clinics at Osler.

**Cohorting** – Cohorting classes is no longer required for health and safety reasons.

**Ventilation** – More than 16,000 institutional-grade HEPA filters are in the TDSB with at least one in every occupied classroom. Caretakers will continue to increase ventilation in schools and classrooms with mechanical systems by adjusting the air exchanges and running them before and after class as well as increase natural ventilation by opening windows for short periods of time.

**Enhanced Cleaning** – Caretaking staff will continue to perform routine cleaning of general facilities throughout the day and enhanced cleaning of high touch surfaces such as light switches, handrails, door handles, etc.
