Soaring Eagle Update

29 November 2024

Dear Osler Community,

We had a lot of fun at Osler this week! Students really enjoyed the Digital Star Lab presentation on Monday – thank you to Ms. Thad for organizing! Our Best Buddies enjoyed their visit to Toronto French School on Tuesday. We are looking forward to several events next week, including Osler Olympics and a dance workshop!

Please note that the date for our movie trip has been changed to Thursday, December 19th. Students will enjoy our Talent Show on December 20th.

Due to scheduling conflicts, our next School Council meeting has been moved to Wednesday, December 11th. We hope to see you there! A reminder that we also have a 1pm dismissal this Monday, December 2nd.

We wish you a great weekend!

Early Dismissal (1:00 pm) - PLC/Staff Meeting

Professional Learning (PLC) and Staff Meetings are an important tool for staff development and school improvement. At Osler, PLC/Staff Meetings are held once a month, typically on the first Monday of the month.

On PLC/Staff Meeting days, students are dismissed at 1:00pm where busses will take students home to their afternoon address. Please ensure you are able to meet your child at this time. Please refer to the attached Calendar of Important Dates or our School Google Calendar for our important dates, including early dismissal dates.

Our next early dismissal (1:00) for the PLC/Staff Meeting is **Monday, December 2nd, 2024**.

School Council Meeting

Our next School Council Meeting will be held on **Wednesday, December 11th at 7:00pm**. All parents and guardians are welcome. Hear about the plans at Sir William Osler and have your say about how the year will look.

The meeting will be held in-person and virtually. The link will be sent by email to parents.

Information about the school council can be found at:

Special Education and Inclusion Parent/Guardian/Caregiver Sessions

Special Education and Inclusion is pleased to offer a variety of drop-in and topic-specific sessions for parents, guardians, and caregivers throughout the 2024-2025 school year. These sessions provide valuable information, resources, and support to help families navigate special education programs and services.

Access 2 Entertainment Card

Easter Seals Canada's award-winning Access 2 Card program was launched in 2004 with support from Cineplex Entertainment and a group of national disability organizations. The Access 2 Card program helps to ensure that entertainment, cultural and recreational opportunities are more available and accessible to all. Managed and administered by Easter Seals Canada (located in Toronto), the Access 2 Card program has grown to reach over 100,000 Canadians who are living with disabilities and includes over 500 participating partner venues across the country.

To be eligible for the Access 2 Card, you must:

- Live with a *permanent disability*, as defined below.
- AND**
- The nature of your disability requires you to have the assistance of a *support person*, as defined below, when visiting participating venues.

Permanent Disability

A permanent disability means any impairment (physical, mental, intellectual, cognitive, learning, communication, sensory) or functional limitation that:

- Restricts the applicant's ability to attend participating venues by themselves.
- Remains with the applicant for the rest of their life.

Support Person

A support person is an individual who accompanies a person with a disability to provide services that are not provided by employees of the participating venue. Examples include assisting the person with eating, administering medication, communicating, using washroom facilities, etc.

The support person:

- Must be 18 years of age or older.
- May be related to the applicant.
- Does not need to be a registered personal support worker (PSW) unless otherwise stated by the participating venue.

Age

The Access 2 Card is for people of all ages and types of permanent disabilities who require the assistance of a support person.

For more information and to apply for a card for your child, please visit <https://access2card.ca/get-your-card/>.

COVID Self Screening

The Toronto Public Health COVID Screening tool [can be found here](#). Students are reminded to self-screen for symptoms and stay home if they feel ill. We are following Provincial and Public Health guidance. If students are absent, they should contact their teacher to find out about missed work.

COVID-19 Health and Safety Measures and Practices

Over the past 3+ years, TDSB staff and students have been diligent in following the health and safety directions provided by the Ministry of Education and Toronto Public Health to manage COVID-19 and keep our schools and sites as safe as possible. We continue to follow the Ministry of Education guidance for this new school year. We continue to take our health and safety direction from the Ministry and Toronto Public Health, and it is important to note that this is the current information and can change based on a change of guidance.

Screening – Students and staff should continue to do a daily self-assessment before entering school or Board buildings and stay home if they are sick.

Masks – The TDSB continues to be a mask-friendly environment inclusive of all staff and students. While the Ministry of Education and public health officials are not mandating the use of masks, Toronto Public Health strongly recommends wearing a well-fitting, high-quality mask, especially in indoor public settings. The TDSB will continue to provide medical masks for staff and students who request them.

Vaccines – The TDSB will continue to work closely with Toronto Public Health to support their vaccination efforts for COVID-19 and other illnesses. School-based clinics may continue to operate to support local communities and we will share any information with our community about possible clinics at Osler.

Cohorting – Cohorting classes is no longer required for health and safety reasons.

Ventilation – More than 16,000 institutional-grade HEPA filters are in the TDSB with at least one in every occupied classroom. Caretakers will continue to increase ventilation in schools and classrooms with mechanical systems by adjusting the air exchanges and running them before and after class as well as increase natural ventilation by opening windows for short periods of time.

Enhanced Cleaning – Caretaking staff will continue to perform routine cleaning of general facilities throughout the day and enhanced cleaning of high touch surfaces such as light switches, handrails, door handles, etc.
