Winter Well-Being Guide 2025-2026

The [Winter Well-Being Guide 2025-2026](#) is now available. The Guide is prepared by the Mental Health and Well-Being Committee, in collaboration with the Mental Health Leads and the System Leader for Mental Health and PSS. [The Winter Well-Being Guide 2025-2026](#) offers updated, culturally relevant, and responsive resources to support students and parents/caregivers/guardians in fostering mental and physical wellness during the winter months. It also includes specific supports tailored for students with disabilities and complex needs.

To ensure accessibility for our diverse community, the guide has been translated into the top spoken languages within the TDSB. You can access it here: [The Winter Well-Being Guide 2025-2026](#)

Winter Weather & Student Transportation

It's sometimes necessary to cancel student transportation, classes and/or programs because of [severe weather](#). On rare occasions, it may be necessary to close schools, administrative offices, or sites and when schools are closed, there will be no staff (such as principals and teachers) on-site to supervise students. Any decision to cancel buses, classes and/or programs or to close sites is not taken lightly and when this happens, information will be posted on the [TDSB home page](#) and on TDSB social media by 6 a.m.

Sunflower Services

Sunflower Services offers March break options for school-age clients and/or other clients that may be interested in joining our Life & Social Groups The week of March 9- 13 2026. Please see attached flyer.

All participants must be registered ahead of time through our intake process. Individuals can contact the day program at 416-2 89-2223 to book an intake for Services.

Please note that these programs/services are operated by organization(s) outside of the TDSB. These organizations are solely responsible for the operation and information found on their sites. Providing these resources does not imply any endorsement of the organization or information. Any comments or inquiries regarding the linked websites should be directed to the organization.
