

W.A.V.E.

Weekly Activity View for Eagles

Week of: October 5 - 9, 2026

Dear Osler Community,

I wanted to share a brief update regarding our standard safety drill procedures for the school year. As part of our commitment to maintaining a safe learning environment, schools across the Toronto District School Board regularly practice routine safety procedures. In addition to our usual fire and lockdown drills, this year we will also be conducting two bomb threat drills.

As you know, at Sir William Osler safety is always our top priority, therefore it is important that students are familiar with emergency preparedness plans, including how to safely evacuate. Practicing these routines helps ensure that both students and staff feel confident, calm, and familiar with our safety plans.

We have already conducted two successful fire drills where staff and students evacuated the building in a safe and timely manner. Our staff will continue to review and practice all of our safety routines and evacuation plans in an age appropriate way.

As always, if you have any questions or concerns, please contact our school office.

National Day for Truth and Reconciliation

We were incredibly proud of our students as they engaged thoughtfully in learning on September 30th, the National Day for Truth and Reconciliation.

Students participated in a flag-raising ceremony, contributed to a community art piece with Ms. Kenez in recognition of Orange Shirt Day, and explored a library display featuring Indigenous authors and stories.

Thank you to our students and school community for centering our collective commitment to truth, reconciliation, and ongoing learning.

School Council - Elections

Please consider joining our Sir William Osler School Council. The role of our school council is to improve student achievement and enhance the accountability of the education system to parents and caregivers.

Our first School Council meeting of the year will be on Tuesday, October 13th at 7:00 pm.

For our first meeting we will welcome caregivers and parents in a hybrid format. We will meet in person in the Library and also provide a link for those who wish to join remotely.

Please consider joining us - all are welcome. At this meeting the School Council will wrap up any business from last year and conduct the Council Elections for the 2026-27 school year.

Information regarding the role of School Councils and Responsibilities are outlined on the TDSB website here - [School Councils](#)

Please find the link to the nomination form for parents/guardians/caregivers who are interested in being nominated to be a part of the Sir William Osler School Council here: [Sir William Osler School Council Nomination Form](#)

Once all nominations are accepted, the members of the Council will determine who will hold the executive positions.

The deadline to submit a nomination form is Monday, October 12th at 4:00pm.
