Dear Osler Community,

This past Tuesday evening we were thrilled to welcome caregivers to our first School Council meeting of the 2026-27 academic year. Thank you to everyone who attended either in person or on-line! We were thrilled to welcome a number of new caregivers and a number of returning caregivers.

A special thanks goes to our previous council co-chairs T. Markandu and D. Mehany and last year's council members for their hard work and dedication to the Osler community. Our meeting was inspiring and we are excited to continue some of the good work from last year and set some new goals together this year.

This week, we also held our Caring and Safe school assembly for Beta and Gamma 10 classes. This was a chance to introduce our student to some of the caring adults in our building who support our students. Thank you to our students for being attentive during the assembly and for the respect they demonstrated for themselves and each other as they listened carefully to each speaker.

Additionally, a big thank you to the Pathways class for assisting with the set up of the Library to welcome and accommodate our students.

Have you seen the display that our students have created in the main hallway? Thank you to Mr. Pascotto and Mr. Ryan for their vision, creativity and expertise in supporting our students in setting the tone for the festivities this month. Awesome job Eagles!
