

DONATE TO YOUR STUDENT NUTRITION PROGRAM

The Student Nutrition Program is a community-based, volunteer-run initiative that ensures healthy, nutritious food is available to all students, regardless of their ability to contribute financially.

With your support, we can continue to nourish young minds and help them reach their full potential. Please consider donating—every gift makes a difference by helping students access balanced food.

What the Student Nutrition Programs Offer:

- ✓ Universal, safe, inclusive and stigma-free access for all students to participate
- ✓ Fresh fruits and vegetables, sourced locally when possible
- ✓ Whole grains & protein-rich foods
- ✓ Inclusive and adaptable menu options

How You Can Help:

- Please consider making a donation. Every contribution helps support students during the school day.
- Volunteer your time to help with food preparation.
- Spread the word to other parents, caregivers & community partners.

Your support makes all the difference!

Toronto Foundation for Student Success

Donate Online Today:

<https://tfss.ca/donate/schoolsites-snp/>
Select your school name from the drop down menu.

Tax receipts are available for online donations.

With your help, students can start each school day ready to learn.
